

Dear Mrs. Fletcher,—I have made arrangements with Mrs. K— to stay with her and get \$3 per month. I have got a good home, there is just three in family with myself. I would like to know if my father is living and if I was baptised. I joined the Presbyterian Church a few months ago. I will be very thankful for the money, I will put it in the post office and add to it all that I can. If I am in Toronto this summer I will call at the Home. Yours truly, EMMA.

My dear Mrs. Fletcher,—I am very pleased to be writing to you ; I have grown to be such a big girl I don't think you would know me. I am very happy with the children, they are such dear little girls. They are very fond of me and would not let anything hurt me for the world. This is a lovely place, the trees look so beautiful when they are out in blossom. Little Kathleen is a very small girl, she tries to write very hard but she can't manage it very well yet ; she can print her own name. Little Eyleyr is such a dear little girl ; she is the smallest one ; she takes a sleep every afternoon. The people here are very nice. I think I had better close now. Give my love to Miss McKee and to all the ladies and the girls that know me. Wishing Mrs. Bright a happy birthday. I remain yours lovingly, LOUISE.

Dear Mrs. Fletcher,—I like my place very much ; Mr. and Mrs. B— are very nice to me. I go to church and Sunday school each Sunday. I hope you are well as I am myself. I got home safe on Thursday. I got my new dress made. How are all the girls ? I hope Mrs. Bright had a happy time for her holidays. How is Miss Wardrop ? I hope you will answer my letter. Mrs. B. has a little boy ; she has a nurse from Barrie. Will you come and see us for a day ? We will be glad to see you. Good bye. M. E.

Dear Mrs. Fletcher,—I will write and let you know how I am getting along. I have just got home from Sunday School ; Mrs. L— makes me go every Sunday, except when it is stormy ; she says if I don't go to Sunday school she will tell you. I nearly got my leg broke one day last week, when I was going to school with one of the neigh-
