THIS LETTER HAS BEEN SENT

I have to acknowledge receipt of your letter of the 5th inst. and note that the decision arrived at with reference to the proposed road from Clansbury to Selkirk is to the effect that the usual roads around the sections are to be used ~~and~~ that instead of ~~any~~ ~~road~~ ~~opening~~ any proposed road diagonally across the lots.

With reference to the request that the roads or sections be staked out, I would refer you to letter of 10th April F. 129634 which deals with the matter of the proposed resurvey of portions of the St Peter's Reserve and you may inform the Council of the Municipality of St Andrews of the intention of the Department
