FLOUNDERING. The Colonist seems to think Premier

pleads that the conversation with Mr. which prevailed only a few years ago. Scott was private and that its purport should never have been disclosed. Did the Premier intimate to the Secretary of State that the information he imparted was intended to be private and confidential? And has the public not a right to the fullest information in regard to a matter that primarily contact a really competent statistical ly, such as the construction of the new transcontinental railway and numerous branch lines for other roads. These to the task. All Canadians remember works will absorb all the idle labor. Bowser Bill was a humbug in its inception. It was introduced for the length review of the length review of the length review by the length review of the len Bride dare not say that he is not rehas been exposed. He takes refuge in quibbles lest an explicit statement which would be even more damaging to what remains of his character as a public man. His organ has done fts test for him. It has resorted to misrepresentations of the communication which passed between Mr. Scott and the Lieutenant-Governor in the hope of placing its idol in a more favorable light. But its task is a hopeless one. Attempted explanations simply serve to show that there can be but one explanation. The Premier was serving his master while striving to delude the public into the belief that he was serv-

DEATH OF MR. TARTE.

Hon. J. Israel Tarte, most sturdy of and Baltimore 30. Canadians and a stout advocate of his pen.

Mr. Tarte servel Canada well during his life.' That will be the unanimous verdict of all Canadians now that his work is finished, the distorted party perspective eliminated, and the value true light.

his rashness. His retirement from the Premier. Of course the loss of the serrices of the eminent French-Canadian was accepted as meaning the disruption of the government. But the fact of the mastery of the administration was soon established. Mr. Tarte accepted the decree philosophically. He stated something which was probably quite true: that his proper sphere, the pursuit from which he derived the reatest happiness and the most comlete personal satisfaction, was in the profession of journalism. He said he preferred a seat in the press gallery to chair on the floor of the House of

All Canadians are agreed now that hey are in a position to pass sane judgment upon the career so suddenly McBride's record is a sufficient answer | brought to an end that Mr. Tarte was to the charge that he has been guilty a true friend of the Empire. His conof insincerity, if not of actual hypoc- spicuous talents were devoted to the risy, in his treatment of the Asiatic task assigned by his great leader, to immigration question. Is it not a whom he was a devoted friend whether hazardous thing to invite discussion of in office or in private life, of soothing the record of the Premier on Asiatic racial animosities and making Canada exclusion or any other subject? Mr. a unit in patriotic sentiment. That McBride cannot deny the fact that he the efforts of these great statesmen told Hon. R. W. > His reason for going into the room was that Lang had just gone, and he went in to turn out the lights.

Ward.

January 25—North Ward vs. Nanaimo.

February 1—Ladysmith vs. Nanaimo.

February 15—Nanaimo vs. North

Mrs. Jsabella Patterson, liam Patterson, told of seeing Mr. Lang Ward.
February 21—North Ward vs. Ladywith.

at the hotel. She came down just as they were commencing lunch and waited on them. Mr. Lang ate a very hearty meal and got a couple of drinks, which Mr. Huggan paid for. She further stated that when a guest of the hotel brought a visi-

tor he was responsible for him; he accordingly registered for him.

She did not know how long the barkeeper was on duty that day. The barkeeper stays in the billiard room, and when anyone wants a drink he goes in and gets it.

profit to the proprietor.

The sale or disposal in this case was
