## LAURENCE'S SPECTACLES.

When are Spectacles Required?

When the eyes water or become so fatigued by use as to be bliged to be frequently closed or relieved by viewing different objects.

When more light is required than formerly.

When the letters of a book appear to blend with one another

When the lamp has to be placed between the eye and the object.

When objects cannot be seen without holding them at an in-When much difficulty is found in threading a needle.

When the eyes appear confused as though they had a mist be-

fore them. When any of the above indications arise all affectation should be laid aside and a pair of Laurences Spectacle's or eye Glasses should

e worn immediately. Good fitting glasses are a great comfort. Our facilities for testing the sight and suiting the age are not surpassed anywhere.—Prices to suit everybody.
