GREAT HOLIDAY BILL
Four big vaudeville acts are on the bill at the Princess Theatre next week beginning Monday matinee. First on the programme is Mr. and Miss Rodreau, grand opera stars who have appeared before His Majesty King Edward; Queen Dora, sensational fire dancer; Jack English, the marvellous hoop roller; Doro Williams and Bell Laurance, who present a high class comedy sketch. The usual programme of pictures will also be shown. A glance at its programme will convince every one that it is the greatest ever given anywhere for the price. It is needless to advise all to be early Monday.
NICKEL TODAY AND MONDAY.
The children will have another of their Saturday afternoon features of good pure amusement at the Nickel today. The bill has been selected with care and no sensational or suggestive feature will be found in the hour-long programme. Parents have learned that it is absolutely safe to send their little ones to this house, the pictures are so carefully censored. Tonight the week will be terminated with a special long programme.
On Monday, Victoria Day, the Nickel will be open at 10 o'clock in the forenoon, and before dinner time a programme of Talking Pictures, Songs, Pianologues by Lucia Kenney and plain pictures will be tendered early evening. In the afternoon the same big holiday bill will rule; also in the evening. Of Mr. Kenney it can be said he is a highly refined pianologist, one who sits at the piano and makes his hearers laugh and cry almost at will. He is a most amusing trick pianist as well. The Talking Picture Co. will play "His Wife's Mother", a howling comedy. Miss Evans has a new song and the orchestra will have national airs and merry hits from New York. Owing to the usual crowds on holidays intending patrons are urged to be early. Children can be best entertained at the matinees.

FIRST CRUISE OF SEASON MONDAY

Yachts All Spick and Span for Annual Holiday Trip
Following out the custom for some years past, the members of the Royal Newfoundland Yacht Club will on Monday next start the yachting season. The boys will enjoy a one-day cruise on the river and may possibly visit the tributaries.
Commodore Thomson, speaking with The Sun last evening, stated that a number of the boys would congregated at Milldeleville and hold the first sail on the stream. The cruise would be an informal one.
It is learned that the Bejale will be visited by the yachts. The yachts going include the Louvina, Vagabond, Canada and the motor boat Amico. Stops will also be made along the river and the boys will visit their friends. There is talk also of some of the boats making the trip on to the capital.
The latest addition to the club is a power canoe, the owner of which is T. E. Ryder. The craft is of cedar and was built by the Chestnuts of Fredericton. It is Mr. Ryder's intention to build a power boat of large dimensions this fall, for speed purposes, the special purpose being to have the fastest in this part of the country. The plans and specifications are ready and the boat will be built in the early fall.

Classy Kid from Bean Town

Two of the fastest youngsters in the American league are Hooper and Wolters of the Boston club. Although they broke into fast company this year, they have created a sensation wherever they perform. Hooper is an outfielder and Wolters a pitcher. The latter is picked as one of the classiest youths the majors have attracted in many a day. "And he's a better outfielder than pitcher," says Manager Fred Lake.
follow immediately at the conclusion of the sports. The Greeks have also secured Sealy and Triles, two fast men, for the team. Two all-star pitchers will be announced later.

DOG HAS APPENDICITIS

BONHAM, Texas, May 21—The proud dog in this town is a half-grown bull pup owned by Rev. G. P. Ball. It has been operated on for appendicitis.
The dog is a blue ribbon winner in the Cavalier Club show.

MARATHON SEASON OPENS ON MONDAY

FIELD SPORTS ALSO
The Marathon Baseball Club will open the season on Monday morning next, Victoria Day. The Marysville Crescents and the Greeks will be the attractions both morning and afternoon. The boys have of late been getting in some hot practice and intend to put up a lively fight with the Crescents. The old players on the team will be again found on hand, while new blood will also be introduced.
The Crescents are a strong combination and are sure to give the Marathons a stiff run. The morning game will start at 10 o'clock sharp and the afternoon at 3:30 o'clock. The teams will line up as follows:
Marathon.

HAPPY HALF HOUR OPENS MAY 24TH

After considerable bustling Manager Munde announces that the Happy Half Hour will be opened Monday, May 24th. The hours will be from 2 to 5:30, and 7 to 10:30. The programme consists of all that is latest and best in moving pictures and illustrated songs. The titles of the pictures will be announced in Monday morning's Sun, and one thing the public can depend on and that is that they will be brand new and never before shown in this city. This policy was carried out last year and will be again this year. Regarding the singers, two operatic singers have been engaged and will be in time to open Monday. Their names and selections will be announced in Monday's paper. They are highly recommended. Here are two extracts in letters from two different people who have heard them, and are authorities: "They are the best singing team ever heard in St. John. I promise you that." Here's the other: "They make the others look like wooden money." One thing patrons can depend on and that is a good show will be given at the Happy Half Hour.

THE NEW UNIQUE OPENS AT SEVEN O'CLOCK TONIGHT

The opening of the New Unique this evening is one of the most talked-of events in local history. Well might this be so, as within a very few weeks a furniture store has been remodelled into one of the most up-to-date motion picture houses in all Canada. Of course, curiosity to see the new building will have the effect of bringing patrons by the thousands this evening, but the entertainment provided will more than repay them. The return of Joseph Klotz, the most popular basso ever heard in this city, is hailed with delight by his hundreds of admirers, and the picture programme will be found one that is sure to please.

Seven entries have been received for the fifteen-mile event and ten for the three-mile event for boys under eighteen years of age. The one-mile has four entries up to the present. A great many take advantage of the indoor track every afternoon and evening. This is the first indoor track that has been laid in the city since professional racing.
