BUFFALO, N. The committee having in charge the work of preparing a report in connection with the establishment in this province of an sanatarium for consumptives, has about finished the report, and it will soon be submitted to the medical society, and if adopted by that body, will be presented to the next local legislature. The members of the committee are Dr. G. A. B. Addy, chairman; Dr. T. H. Lunney, secretary; Dr. Murray McLaren, Dr. T. D. Walker, Dr. Stewart Skinner, Dr. W. W. White and Dr. P. R. Inches.
