## THE STANDARD'S INSTRUCTIVE COMPETITION

### HALF DOLLARS TO BE WON!

#### Have You Saved the Coupons Which Appeared Each Day in The Standard?

You must have six, cut from consecutive issues of The Standard, previous to today, to enable you to enter the Painting Competition.

Our artist has prepared a sketch which we publish herewith, and we want every boy and girl to get their water color box or chalks and try to color the picture the best way they think.

You all see here how very wise  
Is Jumbo, trying without doubt  
To win, with brush and paint, the prize;  
Now, children, just you beat him out.

When finished, pin the six coupons (already saved and filled up) to the colored sketch and send them to **THE STANDARD, St. John, N. B.**

Mark the envelopes in the top left hand corner "Art Competition" and send in not later than Thursday, April 29.

To the boy or girl who does the neatest and best colored picture we will give a prize of **HALF A DOLLAR** and publish the result on Saturday, May 1.

A few hints that may assist the budding young artist:

- 1—Use either water colors or chalks.
- 2—Cut out the picture and either dry it at the fire or paste on a piece of card to prevent the colors running.
- 3—Please yourself as to what colors you use.
- 4—Don't forget to enclose six consecutive coupons correctly filled up with your name, address and age last birthday, with the sketch.
- 5—Go on saving the coupons and tell your friends about this most interesting competition, because we intend giving **HALF A DOLLAR EACH WEEK** as a prize, so long as you try to win it.
