BAPTIST MINISTERS IN SESSION

Ministers' Institute of Baptist Association Held at Woodstock Tuesday and Wednesday — Praise for New Prohibition Act.

Woodstock, Sept. 26.—The Ministers' Institute in connection with the Baptist Association was opened at 2.30 p. m. Rev. Mr. Wentworth, vice-chairman, called the session to order and led the devotional exercises.

Officers for ensuing year were elected: President, Rev. T. D. Bell; vice, Rev. A. A. Hovey; sec., Rev. J. G. A. Belyea.

During the session three papers were presented. One was on "The Second Coming of Christ," by Mr. Manser. The second paper was prepared by Dr. Hutchinson on "What a Pastor Thinks Pastor Should Be."

The last hour of the session was spent in discussing "The present attitude of the temperance question," by Rev. W. D. Wilson. This proved to be a discussion of temperance legislation recently passed in which the advantages of the bill over the Scotch Act were pointed out in several respects.

The speaker showed how useful it was for all to get busy that this act may be operative over the whole province by May 1st, 1917.

The institute on motion endorsed the work which Rev. W. D. Wilson was doing and pledged him their support.

The exercises of the evening were directed by Rev. J. B. Ganon in the absence of Rev. G. A. Lawson, who is at Valcartier.

On Wednesday, in the absence of the president of the association, Rev. G. A. Lawson, who has answered the call of his country, the ex-moderator, Rev. J. E. Wilson, was called to the chair.

GOT DIARRHOEA FROM DRINKING BAD WATER. Had To Give Up Work.

Mr. H. M. Ryckman, Port Rowan, Ont., writes: "Last year I was out in Saskatchewan. The water was very bad and I was taken with diarrhoea. In a few days I was in such bad shape I had to stop work. I got a bottle of Dr. Fowler's Extract of Wild Strawberry, and had only taken a few doses when it was stopped, and I was soon able to go back to work again."

Dr. Fowler's Extract of Wild Strawberry has been on the market for the past seventy years, and has had such great success in curing all bowel complaints that many firms have undertaken to provide a substitute for it, even going so far as to use a similar name.

Do not be led into taking a substitute for "Dr. Fowler's" but insist on getting what you ask for. "Dr. Fowler's" is safe and sure, but by taking some of these rank substitutes you may endanger your life.

"Dr. Fowler's Extract of Wild Strawberry" is manufactured only by The T. Milburn Co., Limited, Toronto, Ont. Price 25c.

SIR JAMES WATSON'S OPINION CONSIDERED MOST VALUABLE.

He says that the commonest of all diseases, and one from which few escape is Catarrh. Sir James firmly believes in local treatment, which is best supplied by "Catarrhazone." No case of Catarrh can exist where Catarrhazone is used; it is a miracle worker, relieves almost instantly and cures after other remedies fail. Other treatments can't reach the diseased parts like Catarrhazone because it goes to the source of the trouble and with the air you breathe. Catarrhazone is free from Cocaine, it leaves no bad after effects, it is simply nature's own cure.

Beware of dangerous substitutes offered under misleading names and meant to deceive you for genuine Catarrhazone which is sold everywhere; large size containing two months' treatment costs \$1.00; small size 50c; trial size 25c.
