r had pu nome politicians now propose only tend to more evasion and celiment of logs; also it would

r Companies more particular one but the best of woods be r them, thus still more increase e amount of waste. ar proof and data can be pro that this statement is not over, but rather the reverse. Yours faithfully, GEO. H. GRAY, teeville, Carleton Co., N. B. April 5th, 1920.

AWFUL WASTE OF GOOD POTATOES ued

Montreal, April 7-Sixty bags of potatoes, which had rotted in a ware-house during the winter, waiting for higher prices, were dumped on Com-missioner street last night, too far gone to be of use even for hogs. It has been impossible to learn where the potatoes came from but the health in-spector is continuing to make in-quiries. During the last two weeks of March over tou tons of meat and other food were condermed by the

Ottawa, April 7.—Iu the House of formons, teday, Hon. A. L. Sifton tated that 7 13 per cent outcome war ax had yielded \$10,680,315 during the facal year ended on March 31 lass War taxes collected by the Inlan Revenue Department on commard Revenue Department on contaction r food were condema health inspectors.
