in length. G. S. Fisher, in discussing last evening the possibility of employing pari immates at the park, said it would be a wise act. Plenty of work could be furnished them and a decrease in the number of prisoners will be the result. He felt that in the matter of providing guards for the prisoners, the jail authorities should be looked to. The park would furnish the agricultural immements. The animals at Fownes and Michael Kelley.

Musquash—Wm. J. Dean, Anthony be looked to. The park would furnish the agricultural implements. The animals at the park have not for months greeted another compulsory guest, but instead are mourning the demise of the moose. There were a couple and the last died only a few months ago. They were well cared for, and stared at, and giggled at, but a moose, if he has his own way in the matter, will prefer the range of the North American continent rather than the hate-Thompson.

The members were sworn in and all

Warden Lowell.

The selection of warden resulted in James Lowell, of Lancaster, being the only nominee, and he was appointed amid

American contained a dard in a park, notful limitations of a yard in a park, notwithstanding the offerings of banamas and
biscuits on the part of a sympathetic
public. There is nothing wrong with the
bears, though. There isn't the remotest
indication that the curitailing of their fiberty will cause them to droop and pine
away to greet other good bears in some
blissful place, where men with traps and
riftes penetrate not.

Stout, mature and possessing a kind of
jontish philosophy these bears behold the
great throbbing, feverish world beyond
their goal bars with wise complacency.

I dud applause.

Warden McMulkin, before wacating the
Chair, said he was happy that, during his
time in office, the business of the council
had gone along nicely. He was, however,
sorry the council was following in the
footsteps of the common council in the
way of issuing debentures. During his
time as warden, he had signed for \$21,000
for the isolation hospital and the annex
to the jail. This year \$16,000 was being
asked for the General Public Hospital and
it was wanted very much. He was sorry
Councillor McGoldrick was unable to atthe direction of the park commissioners,
or in any other place within the municipality pay all
incidental expenses.

Councillor Lewis, chairman of the committee, moved that the report be adoptmittee, moved that the report be adoptmittee, moved that the prisoners be compelled to pet
form hard labor in Rockwood Park, und'r
the direction of the direction of the park of the direction of the direction of the park of the direction of the direction of the park of the direction of tend the session, owing to the death of his son, and he was sure the members all sympathized with him and family in their bereavement. He thanked the members bereavement. He thanked the members for their support during the past year, and appointed Councillors Long and Lee to escort the new warden to the chair.

Warden Lowell made a brief address, in which he thanked the members for choosing him. He would do his work as warden to the best of his ability. Preliminary Examination of Peter

Devine Concluded -- Bail Reduced. The County Officers.

The preliminary examination of Peter Devine, charged with causing the death of John Mangan at Musquash on April 21, was held before Judge Ratchie Wednesday morning. D. Mullin, K. C., appeared for the prisoner. Nine witnesses were examined, but the evidence did not develop County officers were then appointed, as follows: Joseph Magilton, county auditor, Richard Coughlan, marshall and keeper of the dead house. features different than at the inquest.
At the conclusion Judge Ritchie said
that while evidence was sufficiently strong
