Page Bros It is reported from Paris that the Gentlemen's Wal Ladies Gold Jewelry—Assembly, convinced by the recent elections that France is overwhelmingly Republican -a fact that everybody else has been aware of for some time -have resolved to pass an Act disfranchising 4,000,000 of the voters from whom they

have received the authority to sit in the Assembly. Such acts as these—such abuses of power—such betrayals of Books, Pictures, &c—trust—prepare the way for rebellions and revolutions in France. If such crimes are represented by the crimes are perpetrated in the name of the Republic the Empire will once again become the dream of the French masses. Frenchmen can submit to a one-man otism, but anything that savors of

by never retrograding. The masses are sure of reaping eternally the fruits of any victory they win, and this reconciles them to the process of winning The News lately gave a synopsis of the demands of Bishop Sweeney on the school question, and of the concessions Patrons of the Rink will have an excel-

agreed to by the Government. The Freeman, either because it was not in-formed of the nature of the negotia-tions, or because it did not expect the official minutes to be published, said

The writer in the News must be strangely misinformed if he supposes that this
was all the Bishop asked, or that this was
the essential part of any proposition he
made. Religious instruction and training in Catholic schools, whether these are
taught by religious or by laymen, is, the
essence of all that has been asked.

The last day of the year is to be o
served as a Day of Prayer in the Bapt
denomination, by recommendation of the
Convention of the Lower Provinces.

A very pleasant sociable was held
the Brussels Street Baptist Church is
evening. This is the second of a servening. This is the second of a servening. As if anticipating this the News publishes the official record of the demands of

Government appear to have gone just broken. out undergoing the drudgery of a three-School, and, ascertaining which of the Christian Brothers' books were regardas indispensable by the Bishop, enacted that any school might use those books instead of the other books prescribed by the Board. This, so far as appears by the published record of the negotiations, would have made peace

between the Bishop and the Government, and it would not have compromised the Government in any way. It is said that some young men joined the Manitoba Mounted Police Force

under the impression that they would only have to dress, up every morning and gallop through the streets to the ad miration of all the women and the disgust of all the men; that when they were ordered to perform a piece of real service they acted so badly that they were dismissed; that they went to Minnesota and were unable to earn enough to procure food and shelter; that they lio; one schooner outward. had to send to their folks in New Brun wick for money to keep them from starving there or bring them home; and that we may soon expect these precious youths back again. We should advise
