Mr. Skinner, M. P. for South Oxford
as introduced by the Premier and Mr. Mr. Caron asked if the Government intended considering the North-west Committee report, with a view to granting a full and free amnesty to all parties in the North-west.

Hon. Mr. Smith replied that in the absence of the Premier he could not answer the gnestion. may 7 the question.

Mr. Mitchell said the matter had been a long time before the Government. There were nearly one half of the members of the Cabinet present. He thought among them all they might muster up courage enough to give an answer or express an opinion. JUST OPENED : Case German Wove MASS MEETING enough to give an answer or express an opinion.

Hon. Mr. Smith said perhaps Mr. Mitchell would give his opinion.

Mr. Mitchell said if the Government had no policy, and could not decide upon any on this subject, he would be happy to frame one for them.

After some further badinage the matter dropped.

Mr. Mitchell asked if the return of unexpended monies asked for by Dr. Tupper some time ago could be given. It was reported that there were \$4,000,000 of unexpended appropriations on hand; if so, the country had a right to the information, in order to know whether there was any justification for the imposition of such heavy taxation.

Mr. Ross asked if Mr. Mitchell could tell him anything of the whereabouts of a letter said to have been written by him (Mr. Ross) to Mr. Eagan.

Mr. Mitchell ridiculed the idea of such a question being addressed to him. All he could say was that those who knew Mr. Ross and his writing and saw the letter were quite convinced that Mr. Ross wrote it.

I thank you for the devotion you have shown to the public interests in the earliest prosecution of the works of the session. Tentlemen of the House of Commons: may 27 Gentlemen of the House of Commons:

I trust that the measures I have caused to be taken for the preservation of the peace in the North West Territory will be effectual in preventing the spirit of lawlessness, so much to be feared in these vast unsettled regions, and in maintaining friendly relations with the Indian tribes. The negotiations in progress relative to the compensation due to Canada under the Treaty of Washington will, I hope, realize our just expectations. We have reason to rejoice that within our borders are peace and prosperity, and I pray that the country may continually enjoy these invaluable blessings.
