

in a year when there has been much sickness, especially among the little ones.

During the year 12 teachers and officers have left us—six to distant places, two to Young Church, and four for a time have dropped out of the work. We hope to have some of the latter with us again before long, and trust the blessing of the Great Head of the Church may accompany the labors of the others in their new fields of work.

While we are credited, as a school, with raising a very large amount of money the past year—about \$2,300—yet we have only spent a small proportion of it in carrying on our own regular work. An examination of the accounts shows the following expenditure:

Young Church Building Fund	\$1268 70
Interest on mortgage acct., Young Church	105 00
Missionary collections	219 67
Sada Endo fund	50 00
Manitoba S. S. Association	36 50
S. S. Aid and Extension fund	14 95

Amounting in all to \$1694.82. Our own school expenditure for library books, periodicals and all other purposes has amounted to upwards of \$500 of which the Treasurer's report gives full details.

The orchestra, organized by Mr. Love in the early part of our school year, has been of great service, and created additional interest in the service of song and our work generally. We desire to acknowledge our debt of gratitude to all who have so gladly and regularly come forward to help in this department. Mr. Love, as leader of the singing, and Miss Robinson, as pianist, have continued to render faithful, talented service.

The blackboard work for the school has been most efficiently executed by Mr. Talbot, and heartily appreciated by the school.

The annual tea-meeting, during the holiday season, for which we were indebted to the ladies of the church, was a time of rich appreciation by the scholars, who did full justice to the occasion.

In July last the annual picnic was held at Elm Park, and proved a success financially and otherwise.

A Boys' meeting was organized last fall by Mr. Garratt, and has been the means of gathering into church fellowship a number of the larger lads in our school. We trust the parents will do all they can to help forward this very important work.
