#### OWEN SOUND

Sunday Services had a special attraction in that it was Rally and Ladies' Day, when all services for the day were of a high spiritual nature.

Mrs. Susie Johnson Deaconess, spoke at the morning service when she gave an inspiring message from Gen. 24. She told of the blessings handed on to us through Isaac and likened his marriage to Rebeckah as Christ taking His bride.

The evening service was both interesting and devotional, when Mrs. Dr. Evans, ex-missionary in India, spoke on "Bread Making." Her talk was based on Matt. 13: 33. Mrs. Evans beautifully pictured by her knowledge of medicine, the work of yeast in all its stages, and the effect it had upon all into which it came in contact. This, she said is the way the Christ affects human life when accepted.

A glorious time was experienced at the cottage-prayer-service held at Mrs. Bowie's. We anticipate further blessings.

Annual Sailors' Supper will be held on Wednesday, Dec. 30.

Christmas Concert is to be on December 22nd.

Rev. Richardson is giving food for thought and light in the instructions from "Romans" those absenting themselves are really missing a blessing.

The evening service took the form of a Song-ette, when the pastor dealt with the use of Hymns in congregational singing. Using Col. 3, 16-17 as his text, Rev. Richardson said we were called to praise as well as to prayer. Historical facts were dealt with and singing of old tunes interspersed. Among the writers were Toplody, Perronet, Bishop Kew, Wesley and St. Bernard.

The service was enjoyed by all.

Rev. Richardson and little Annie are spending a few days in Toronto.

Mr. E. Niles is visiting in the city.

Mr. Chas. Taylor has made his last trip for the season.

### Babies Buried Alive

Philadelphia—Babies are buried alive in this civilized and Christian country of America. Such is the savage custom of the Pima Indians of Arizona, Dr. Dirk Lay, Presbyterian missionary to the aboriginal tribes of America, declared in an account of his work given at the Arch Street Presbyterian Church.

Doctor Lay has converted to the Christian faith a majority of the tribe during the many years of his stay at Sacaton, Ariz., and has conducted an Indian church, which is the largest native American church in the country.

"It was only last year that I came upon a frightful case, where the child of a dead mother was buried alive by some of the outlying Indians," he said. "It is a savage custom to bury the new-born child in the arms of the mother who has died at its birth. We are endeavouring to substitute gentler ideas for the primitive ones of the savages through inculcating the beliefs of Christianity.

"The Pima Indians ever have been great friends of the white man. When Columbus came over they promised to be friends to our forefathers. The first settlers promised to be friends to them. The Pimas kept their promise. We broke our promise."

### Flowers Bests Moody

BOSTON, Mass., Dec. 16th—"Winner of every round," these were the words pronouncing a judge's decision in favor of Tiger Flowers, Georgia deacon at the conclusion of his ten round bout with Frank Moody, of Wales, here Thursday night.

The colored fighter outboxed his rival in every round, knocking him through the ropes in the second. He employed the famous windmill attack and showered blows upon Moody from every direction.

Moody went down for the count of seven in the first round and for eight in the second. He regained his feet then, only to be sent thru the ropes for a count of nine a few seconds later.
