

timents of His Majesty's Government on this head, which it ought to possess, in order to make a Grant to His Majesty in a way consistent equally with its duty to the Crown, to the People of this Province as its Constituents, and with the Constitutional Privileges of this House.

Your Committee, have been unable to find any thing satisfactory in the explanations and reasons assigned in the said Message, as the sole foundation of the revocation of the Dispatch of the Fourth June One thousand eight hundred and twenty-five.

It appears, by the said Message, that His Excellency the Governor in Chief grounds the opinion which he announces on this subject, upon a Dispatch which he refuses to give your Honourable House Communication.

Your Committee, in the absence of that essential Document, are of opinion that it may be believed, that the justification of His Excellency the Lieutenant Governor does not rest solely upon the reasons adduced in the said Message.

Mr. *Taschereau* moved that the consideration of the said Report be postponed until To-morrow, and the Question being put upon the Motion, it was negatived.

Ordered, That the Chairman do leave the Chair, and report.

The whole nevertheless humbly submitted.

AUSTIN CUVILLIER,
Chairman.
