

Indians having incurred debts
 amounting to \$10,000.00 the same
 were paid by this Department from
 the Capital Fund of the West on
 the understanding that the same
 should be repaid in three
 years, by deducting 1/3 of the
 same from the individual Indian's
 share at each quarterly payment
 of annuity.

A list of the
 several individual Indians
 whose accounts the annuities
 were paid, and have I request
 that you will deduct from the
 annuity of each Indian whose
 name appears thereon 1/3 of
 the total amount shown to
 have been paid on his account;
