

In the undermentioned articles there is no standard sample; and as the concluding entries in the description schedule under "tools, chests of" applies to those tools only forming part of the outfit of a tool-chest, it cannot be held to apply to tools not forming part of a chest of tools.

<u>Good quality would be worth.</u>	<u>Missing work.</u>
Draw, Rabbit, 91 <sup>2</sup> each.	.55 <sup>2</sup>
Chop-bath . . . . .	.11
Smoothing Knife 3.50 per doz.	.60
Draw Saw, 14 in., 2.50 each.	.75
Hand Saw . . . . . 1.25 .	.50
Chop Square, 6 in . . . . . 1.40 .	.25

With respect to the six articles above mentioned, it appears that, in neither case, is there, in the schedule, a proper description of which
