

153979-5.

Ottawa, December 11, 1916.

Sir:-

On November 30th last the Department wrote you in reference to the strengthening of supports under the Kir-Ber furnace installed in the village school, Saugeen Agency, with a request that you would telegraph me immediately in the event of your intention to complete the footings yourselves, and as no reply has been received from you it is assumed that you wish the work to be done through the Agent there.

Your obedient servant,

Asst. Deputy and secretary.
