

December 2nd, 1919.

Dear Mr. Jackson -

I am in receipt of a communication from the Superintendent, Children's Act of Manitoba, with reference to the Sabiston family in the Fairford district. In the letter the Superintendent states that he has had a communication from you, stating that it might be possible to place the children of this family in one of our Indian schools.

As you are aware, our appropriation is limited to the maintenance of Indian children, or half-breed children, and the Indian mode of life on reserves. It is not possible, therefore, for us to undertake the education and maintenance of these children.

Yours very truly,

Dep. Superintendent General.

S. J. Jackson, Esq.,
Inspector of Indian Agencies,
