

cooked Pt. Barpaet made a little
cake of local vegetables & jam, I hope
birthday "on it. I told her I would
tell you it was quite as fine as the
Sasken cake you sent me!!!"

the intended Mr. Good must
have been in seeing Lady Montbatten
& their whole brief-must have been
full of interest to them.

This is not much of a letter but
will convey to you my love & deep
appreciation of all your kindness.

The family will all be here for
dinner in about ten minutes so there
is no time for more just now. They
all send best love & peace with
probably see you before you leave
for Europe.

Again many thanks must
come out from every sister

My dear Willie:

Your very kind letter came
yesterday, I. he all thought it was
more than good of you, in the
middle of all your engagements,
& this awful heat, to write a letter,
as well as phone to me. Everyone
was so good to me, I had one of
the happiest birthdays. I have spent
in years. I don't think any mother
except perhaps my own, ever had
more loving children, the morning
started off with your good wishes!
Then I had a cable from John
from Botswana, a phone call from
Mary in Toronto, & calls from

King, Rt. Hon. William Lyon Mackenzie (MG
26 J 7 volume 14) Mrs. (Janet Lindsey -
Jennie) Harry Morrison Lay and family
