

Camped at 6:45 for supper
 held a fire and at 7:00
 we started for camp
 July 8 Sat
 Left at 5:45 cold - clear -
 very cold all morning -
 dinner at 11:00. Reached
 rapids (Buckhorn) 1:03 - in Port
 River. Camped on Island
 7-

July 9 Sun

Started 5:45 - Day
 light fleecy clouds. Breeze
 the morning calm. At 10:00
 at 10:00 we went into the
 mouth of the river. The rapids
 are hidden in a canyon -
 on one side the other side
 the place and the river

Uped across camped at Port
 River 1:03 - 7:10 - 6:55

July 10 Mon
 Left at 4:45 for the
 last at 2/3 mile for the
 highest point - after a few
 minutes in a narrow stream
 we came into the lake -
 nearly all day we sailed
 with a fair wind S or SW - a
 perfect day. No strong breeze
 Lake! Joseph a pink boat
 and brought it length much
 more interesting than Lac Seul
 it is forbidding - I J. has
 many tall wooded islands -
 it is 70 miles long - after
 a brief run from these to
 find a small landing ground
 a small lake & again
