

CONTENTS.

	PAGE
Preface.....	v
CHAPTER I.	
Introduction.....	1
Localities and areas.....	2
Ages of coal-bearing formations.....	2
Table of coal-bearing formations.....	4
CHAPTER II.	
The Cretaceous coals.....	5
Geological notes.....	5
Upper Cretaceous.....	5
Dunvegan group; by R. G. McConnell.....	5
Lower Cretaceous.....	7
Kootenay formation; by G. S. Malloch.....	7
Skeena series; by W. W. Leach.....	8
The Crowsnest coal field.....	10
Extract from report by J. McEvoy.....	11
Sections on South fork of Michel creek; by W. W. Leach.....	23
The mines; by W. W. Leach.....	26
North fork of Michel creek; by W. F. Robertson.....	30
Elk River coal field.....	33
Elk River coal field; by W. F. Robertson.....	37
Flathead coal area.....	51
Cowichan and Nanaimo coal areas; by C. H. Clapp.....	54
Introduction.....	54
Cowichan basin.....	58
Nanaimo coal field.....	60
Comox coal area; by Jas. Richardson.....	91
Notes on the geology of the Comox coal field; by C. H. Clapp..	111
Suquash coal area; by G. M. Dawson.....	112
Notes on the Suquash coal area; by C. H. Clapp.....	123
Quatsino Sound coal area; by G. M. Dawson.....	125
Koskeemo coal area; by G. M. Dawson.....	131
Graham Island coal areas; by J. D. MacKenzie.....	141
Probable area and coal reserve of Graham island; by C. H. Clapp.....	156
