OPPORTUNITY KNOCKS!

- ¶ The Mutual Life of Canada offers a rare opportunity for men of ability and character who are choosing or changing their life work.
- ¶ No company with which one might be allied could possibly offer more attractions. It is long established, yet strictly modern in every part of its organization and wonderfully prosperous.
- ¶ We are looking for men, real men, who can produce results. Would an attractive agency opening appeal to you? To the right man we offer a first class contract. It may be that your present position is entirely congenial, if so you may have a friend or acquaintance qualified for this work, who would be interested.
- ¶ It is comparatively easy to write business for a company with a reputation for service, efficiency, stability, up-to-date policies and liberal dividends—"one of the best companies on the continent."—Address
