SLEIGH RIDE.

A number of our young folks went for a sleigh ride on Friday 7th. Hamilton was visited, and upon the return of the party to the parsonage, refreshments and fun filled up an hour or so very pleasantly.

JUVENILE ENTERTAINMENT.

The younger ones are now full of excitement about a concert which they have in course of preparation in aid of the Parsonage Fund. It is to come off on the 19th and will, of course, be a grand success. Admission 10 cents, children 5 cents.

Y. M. C. G.

The members of the above are to be congratulated upon the result of their first open meeting, which was held on January 18th. Twenty dollars was realized, and the expenses were zero.

There are several members of the congregation who have not yet made up their minds about contributing, and some others who have not yet been solicited. Altogether we may expect to pay off at least two thousand dollars in October.

C. E. F. S.

During the past month the society has freed itself from debt, has enjoyed the privilege of listening to capital lectures from the talented Rector of Christ Church Cathedral, Hamilton, and from Mr. Baine, M. P.,—and has been heard from in the Town Council, Messrs. Geo. McDermott and James Dickson, two of our Vice-Presidents having done their best to induce temperance legislation in that august body. The privilege of selling whiskey in unlimited quantities to all comers is one for which flourishing hotel keepers are generally willing to pay—(rather than lose it.)
