AMERICANA.

**Walker.** (Sir Hovenden.) A journal, or full account of the late expedition to Canada, with appendix, containing commissions, orders, instructions, letters, memorials, courts martial, councils of war, etc., relating thereto. 8vo, calf, 13.50. Lon, 1720. 1

This volume was written by Sir Hovenden Walker in exculpation of himself and others who commanded the unfortunate expedition against Canada, when by the unskilfulness of the pilots, eight ships and nearly a thousand men were lost in the River St. Lawrence.

**Canadian Biography.** The Canadian Potrait Gallery by John Charles Dent, assisted by a staff of contributors. *Profusely illustrated by very fine full page lithographed portraits.* 4 vols, 4to, cloth gilt, gilt edges, 10.00, (pub. 20.00.) Toronto, 1880-81. 2

"This is by long odds the best work of Canadian biography. It is written with a genuine enthusiasm for the subject, and not as a mere compilation with the main object in view of extorting money from the pockets of those whose portraits were engraved. The portraits are very fine, indeed much the best of the kind ever produced in Canada."
