DR. BARNARDO'S HOME.

The managers of these institutions invite applications from farmers and others for boys and youths, who are being sent out periodically, after careful training in English homes. The older boys remain for a period of one year at the Farm Home at Russett, during which time they receive practical instruction in general farm work before being placed in situations. Boys from eleven to thirteen are placed from the distributing home in Winnipeg. Applications for younger boys should be addressed to the Resident Superintendent, 115 Pacific Avenue, Winnipeg, or P. O. Box 1057; and for older boys, possessing experience in farm work, to Manager, Dr. Barnardo's Farm Home, Brandon, Man.

Empress Tea

Is always the same good quality. It comes from the same garden in India each year, and to insure its uniform good quality we buy the choicest picking of the season and buy a year's supply at a time.

Empress tea is never sold in bulk. It is put up only in one-pound full-weight lead packets that keep the tea in perfect condition until it is used.

In buying Empress tea at 35 cts., you save at least 15 cts. per pound, and get the guarantee "satisfaction or your money back."
