Event in The C. M. B. A.

Montreal Gazette, June 22.

A new branch of the C. M. B. A. was organized in this city under the jurisdiction of of the Grand Council of Canada, with fifty charter members, the majority, for revity members of Branch No. 1 of the Grand Council of Quebec. The new oranch will be known as St. James the Major, No. 232.

It will be remembered that on December 31 1892, a small minority of the membership of the C. M. B. A. in Canada, refusing to accept the Separate Beneficiary Jurisdiction granted to the Grand Council of Canada by the Supreme Council of that association, organized another council, called the Grand Council of Quebec, thus retaining their entire connection with the membership of the United States.

It seems the new council did not make headway, and that discontent has arisen amongst the members on account of the cost of membership being higher than in the Grand Council of Canada. Last year's report shows that nir eteen a seegaments were tevied by the Grand Council of Canada levied only fourteen, and the cousequence is, that for several months there has been a feeling amongst the members of Branch No. 1 to leave the Grand Council of Quebec to join the Grand Council of Quebec to join the Grand Council of Canada. This difference in the assessments is accounted for by the separate beneficiary jurisdiction granted to the Grand Council of Quebec to join the Grand Council of Canada. This difference in the assessments is accounted for by the separate beneficiary jurisdiction granted to the Grand Council of Quebec to join the Grand Council of Canada. This difference in the assessments is accounted for by the separate beneficiary jurisdiction granted to the Grand Council of Canada, with the result, as anticipated, of less assessments for that council, they having to pay only for the deaths occurring in Canada, whilst the members of the Grand Council of Quebec were called on to pay for the deaths cocuring in Canada, whilst the members of the Grand Council

Grand Council of Quebec was Mr. P. Kelly, chancellor of Branch No. 1, and last year's president.

The following is the list of the officers of the new branch installed for the ensuing year by Mr. J. E. H. Howison, assistant secretary and branch organizer of the Grand Council of Canada: Spiritual Adviser, Rev. Gaspard Dauth, of the Bishop's palace; Chancellor pro tem, Martin Kelly; President, Patrick Kelly: 1st Vice President, J. W. Donohue; 2nd Vice President, L. E. Choquette: Recording Secretary, J. J. Ryan: assistant, Recording Secretary, Moise Beaupre; Financial Secretary, Moise Beaupre; Financial Secretary, Mifred Coleman; Treasuaer, W. E. Durack; Marshal, J. O. Glackmeyer: Guard, B. A. Leprohon: Trustees, W. J. McCaffrey, Chairman, M. P. A. Fortin, L. R. Raymond, P. E. E. De Lorimier, T. J. McCarthy; Representative to the Grand Council, P. Kelly, with W. J. McCaffrey as alternative.

It is intended to celebrate the event on the 26th instant by a grand social and musical concert in Federation hall, the meeting place of the new branch. Amongst the distinguished guests to be present on that evening will be Grand President O. K. Fraser, Brockville; Dr. John A. MacCabe, Ottawa; His Worship the Mayor and others.

Hazardous Risks.

The members of Branch 177, Newcastle, N. B., in regular session assembled, on the 19th June, discussed at some length and in detail the proposals made by Branch 145, Toronto, dividing the membership into ordinary and hazardous classes.

At the aforesaid meeting the following preambles and resolutions were proposed and unanimously adopted:

Whereas the proposed amendments to section 1 are, in the opinion of this meeting, too comprehensive in their scope, making alteration of certain vital considerations; thus members of fire brigades in our smaller towns, honorable and patriotic citizens who in time of need render their fellowcitizens voluntary and gratuitous service, but it this amendment were favorably considered, would probably feel obliged by reason of excessive taxation, to abstau from entering the association, or else become, in some respect, less useful to the community; and
Whereas, many others included in the

entering the assect, less useful to the community; and
Whereas, many others included in the proposed amendments such as pilots, telegraph operators, hotel keepers, and etc.. are in the opinion of this meeting exposed to very

little danger;

And whereas the proposed amendments would affect and prevent many very worthy persons from entering our association, while exposing them to the temptation of joining societies forbidden to Catholics.

And whereas this association would by the acceptance of such proposals assume an exclusively commercial aspect, divesting itself of its benevolent and fraternal character, to be labelled selfish and un-Christian; be it therefore little danger :

Pienie and Excursion.

Pienic and Excursion.

The combined branches of the city of Toronto have decided to hold a joint excursion and pienic to Oakville, on Monday, 28rd July, when all of the brothers of the city will have an opportunity of meeting each other. Besides, too, it is expected that similar excursions will be run, there by the branches at Hamilton, Dundas, St. Catherines, Merritton, Thorold and the Falls. What a grand day this will be for C. M. B. A. members! The opportunity should be embraced by all of the members of these and the surrounding branches, and every effort should be made by each to be there on that day. Take a day off and enjoy the outing with the Toronto membership. You will meet at Oakville the ploneers of Branch 5; the veterans of 49; the workers of 85; the stalwarts of 111; the citie of 141; the "hazard ous committee" of 145; and the big infants of 200. Surely this in itself should be sufficient inducement for you to be present on that day, an able committee, with District Deputy Kernaban as chairman, and P. Kerwin as Secretary, is making all the necessary arrangements.

A Neat Badge.

Brother T. P. Tansey, 14 Drummond street, Montreal, has for sale a beautiful badge which can be used for local, district, or Grand Council conventions. It would, however, be particularly appropriate for the great convention of the Grand Council to be held at St. John next month. Orders have, we understand, been already received from forty branches. It is furnished in a handsome satin-lined leatherette case. Full particulars may be had by writing Brother Tansey.

Sacred Heart Court No. 201 was well attended at last meeting. An excellent time was spent, with one proposition handed in. Our representative, who lately returned from St. Paul's (being a delegate to the eleventh annual session of this order), made a lengthy report which showed that he had true Catholic Forestry at heart. A hearty vote of thanks was tendered him by all the members of the court for the very able manner in which he spoke in the interests of the order, especially of this court. OBITUARY. MRS. LAWRENCE WHELAN, OTTAWA It is with sincere regret that we announce the death, at Ottawa, of Mrs. Lawrence Whelan, another of the Rev. M J Whelan, the esteemed pastor of St. Patrick's church in that city. Mrs. Whelan (maiden name Fitzpatrick) was born in Courtown, county Wexford, Ireland, in 1820; coming to Ottawa with her husband in 1847 (the year after their marriage) she resided in that city up to the time of her death. Ever foremost in every good and charitable work, she will be mourned by the poor to whom she was always a true friend. St. Patrick's asylum, from its foundation, found in her a zealous and constant supporter. She was the first president of the St. Jerome Sewing Society, established in the Basilica parlish, and her name will always be gratefully and prayerfully remembered in many other tharitable organizations of the city and neighborhood. Of her it may be truly said, she died full of years and good works.

The funeral took place on Friday last, from St. Bridget's church. The remains were carried from her late residence to the church by the pall-bearers and accompanied by a solemn procession of the ckergy, acolytes, and sympathizing friends. A solemn Requiem Mass began at 9 o'clock. The Very Rev. Canon McCarthy, pastor of St. Bridget's, was celebraut; the Rev. Father Dunn of Richmond deacon; the Rev. Father Foley of Farrelton, sub-deacon; and the Rev. Father Kealey, assistant priest of St. Patrick's, master of ceremonies. In the sanctuary were His Grace the Archbishop of Ottawa, Vicar-General Routhier, Archdeacon Campeau, Canon Plantin and Father Brunet of the Basilica; Fathers McRong, Howe and Patton of the University; Father Cole of St. Marys; and Father Boubat, formerly of the diocese of London, now residing in Ottawa. ### DIOCESE OF HAMILTON.

OWEN SOUND.

OWEN SOUND.

The occasion of the administering of the holy sacrament of confirmation is in the Catholic Church at all times an imposing and awe-inspiring rite, more especially as being administered by the most supreme dignitary in the diccese—the Bishop. The solemnity is sufficient to inspire the faithful to a greater zeal, and especially those young hearts who never torget and ever afterwards revert with pleasure to the day when they received confirmation.

On Wednesday, June 6th, His Lordship Bishop Dowling, of Hamilton, left Durham for Griffith's Corners, and accompanying him were Fathers Maloney, of the former place, Kelly, of Hamilton, and Buckley, of Owen Sound. His Lordship, who was in this part of his diocese visiting his people and administering confirmation, gave confirmation to thirty-one children. In the afternoon of the same day, at the Chatsworth mission, fifteen were confirmed.

On Thursday, the foliowing day, His Lordship, Rev. Father Martion, Toronto, and Provincial of the Basilian Coximunity, Revs. Granottler, Kelly and Buckley, went to Wiarton, and, High Mass being offered up, His Lordship examined and confirmed twenty-one children and many adults. On Friday His Lordship and the reverend gentlemen above mentioned returned by the G. T.R. to Hepworth, where they were met and conveyed to the presbytery, Owen Sound, in a carriage driven by Mr. J. Mc-Clarty.

Masses were offered up in St. Mary's church here at 6:30, 7, 8 and 16:30 o'clock on the following Sunday morning, His Lordship is his paying 8 o'clock Mass and administering to many communicants. Solemn High Mass, with the Rev. Father Buckley as celebrant, was offered up at 16:30 o'clock, His Lordship, assisted by Fathers Granottier and Kelly, being present in the sanctuary. The large and spacious edifice was, at this Mass, crowded to the entrance, and many were unable to gain admittance. The service was lengthy and of the usual impressive character, never at any time wanting in that solemnity characteristic of Catholic Church devotions. Mass concluded, His Lordship, with staff and mitre, advanced to the altar rail and spoke cloquenity for more than an hour. The sermon of the morning and lecture in the evening were delivered in a happy style and significant of Bishop Dowling's ready peech. The sermon was vastly instructive, and embraced religious points which it would be well for our Anglican friends to meditate on, and learn from His Lordship how to accept Catholic truths. His closing remarks were directed to the children—boys and girls—elghty five in all, who were about to be confirmed. Considerable time was spent in their examination on the catechism, and it was evident the answers given, more especially those as bearing on the Trinity, were highly satisfactory. Priests and parents should have reason to leel proud in the knowledge that their children are under the careful instruction of that body of pious women known as the Sisters of St. Joseph. The confirmation was finally given, Mr. W. Schwan acting as a sponsor for they of the careful instruction of that body of pious women known as the Sisters of St. Joseph. #### ARCHDIOCESE OF TORONTO.

Thursday last was a bright day in the calendar of the parishioners of Dixie. On that day some eighty or more of the little ones of the parish made their First Communion, and received at the same time the sacrament of confirmation at the hands of His Grace the Archishop of Toronto. His Grace was accompanied by the Rev. Fathers McCann, V. G., and Walsh of Our Lady of Lourdes. Amongst the other clergymen present in the sanctuary we noticed Rev. Fathers Cassidy, Hand, Kelly and Treacy, who were invited by the rev. pastor, Father Trayling, to meet the Archbishop on the occasion. HIS GRACE AT DIXIE.

who were invited by the rev. pastor, Father Trayling, to meet the Archbishop on the occasion.

At the close of the 9 o'clock Mass, which was celebrated by the rev. pastor, the children received the Bread of Life for the first time. We could not help admiring the little ones as they thronged the altar railings with holy eagerness to partake of the Celestial Food. The little boys, with white rosettes, and the little maidens with wreaths and veils and flowers, seemed the very picture of virginal youth and purity as they proceeded slowly up the middle aisle, gravely conscious of that great act which they were, for the first time, about to perform.

Such scenes are for us all living sermons, much more impressive than the most vigorous oratory which human lips can utter. They remind us of our First Communion—of that day when, years ago, we knelt at the altar railings of the village church along with so many others, and received from the palsied hand of the aged pastor the Flesh of Him whose sweetest words were spoken of children: "Suffer the little ones to come to Me."

Him whose sweetest words were spoken of children: "Suffer the little ones to come to Me."

Afterwards His Grace examined the children preparatory to administering the sacrament of confirmation. The intelligent answers which he received elicited the approval of His Grace, who warmly complimented the parents on the knowledge of the little ones, and the pastor on the earnest labors which produced such good results.

At 11 o'clock High Mass Coram Pontince, was chanted by Rev. Father Treacy, the organ being presided over by the Rev. pastor himself. After Mass the Archbishop, in an impressive discourse, spoke of the great necessity of the sacraments in the life of the Christian, and more particularly of the one he was about to administer—the sacrament of confirmation. He spoke with energy of the grave duties of Catholic parents towards themselves, their children and Almighty God, and finally closed his instructions by alluding to the fact that during his episcopal career he has administered the total abstinence pledge to over sixty thousand boys whom he had previously confirmed. He asked the boys present to do likewise—to pledge themselves to abstain from all intoicating fluors until they have arrived at the age of twenty-one. This they did, and with uplitted hands promised as their Archbishop had commanded. The large congregation then received the Apostolical Benediction, after which the services were brought to a close.

We may remark, in conclusion, that to our reporter everything in the parish church of Dixie in the presbytery betokens the elergyman of refined and cultured taste, and it must have been highly flattering to the Rev. Father Trayling when fell from the lips of the Archbishop words of condial and sincere approval of the manner in which were conducted the various services that attended His Grace's visit to Dixie.

### A NEW BRUNS WICK STORY.

he Remakable Experience of A Husband And Wife.—The One Suffering From General Debility and the Other From the After Effects of Typhoid Fever.—Were Gradually Growing Weaker When a Cure Came—Both Now Restored to Perfect Health.

From the Newcastle, N. B., Union-Advocate Trom the Newcastle, N. Consequently a reporter of this paper called upon the parties and obtained from them cheerfully all the particulars. Mr. and Mrs. Hammill removed from Fort Fairfield, Maine, to Newcastle, N. B., about fourteen months ago. For two years previous Mrs. Hammill had been in a very poor state of health and was steadily growing weaker and running down, until she was unable to do necessary work about the house, and the little she did used her up completely. Pains in the back and flimbs, weakness, dizziness and other disagreeable symptoms troubled her. For some time she was under treatment of several doctors at Fort Fairfield, and also since she moved here. But they effected no improvement to her run down system and was gradually growing worse and had given up all hope of regaining her

health. Having read accounts of the cures effected by the use of Dr. Williams' Pink Pills she decided last July to try them and see if she could be benefitted thereby. She purchased some from Mr. H. H. Johnstone, druggist, and commenced to take them and has since continued to take them with, to her, wonderful results. She had taken but a few boxes when a gradual improvement seemed to be taking place. The pains in her back and limbs left her, as did the other unpleasant symptoms, and at the present time she is as well as ever she was and without feeling the tiredness and exhaustion of her former state.

At her recommendation her husband also began the use of Pink Pills. About a year before coming to Newcastle he had suffered from an attack of typhoid fever, from the effects of which he did not recover his former health. His blood seemed to be thin and watery, and he was weak and easily worn out. Through all this he kept steadily at work, although he says that when night came he was thoroughly wearied and depressed, not knowing how to obtain relief. When his wife began to feel the beneficial effects of Pink Pills she urged him, to try them, and he did so. After taking three boxes he began to feel the obeneficial effects of Pink Pills she urged him, to try them, and he did so. After taking three boxes he began to feel the beneficial effects of Pink Pills in the had a better appetite and enjoyed his tood with a relish he had not had before. He continued taking the Pills for some time and is to day fully restored to his old-time health and strength. Mr. Hammill was very willing to tell of the benefits both he and his wife had derived from the use of Dr. Williams' Pink Pills, with the hope that their experience might lead others to test the benefits to be derived from this wonder-ul remedy.

Dr. Williams' Pink Pills, with the hope that their experience might lead others to test the benefits to be derived from this wonderul remedy.

The gratifying results following the use of Pink Pills in the case of Mrs. Hammill prove their unequalled powers as a blood builder and nerve tonic. There are many throughout the land suffering in silence as did Mrs. Hammill, who can readily find relief in a course of Dr. Williams' Pink Pills. They are a specific for the troubles peculiar to women, such as irregularities and all forms of weakness. They build up the blood, restore the glow of health to pale and sallow cheeks driving out pains in the back and limbs, weakness and other disagreeable symptons which make lite a burden. They also cure such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration, the after effects of la grippe, influenza, and severe colds, diseases depending on humors in the blood, such as scrofula chronic crysipelas, etc., and in all cases arising from mental worry, over-work or excesses of any nature.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark. They are never sold in bulk, or by the dozen or hundred, and any dealer who ofters substitutes in this form is trying to defraud you and should be avoided. The public are also cautioned against all other so-called blood builders and nerve tonics, put up in similar form intended to deceive.
