Here is an opinion upon the vexed question of the relation sustained to the Church incline to attend class :-

Those who refuse to partake of the Lord's supper are ipso facto excommunicated—though their names may be on a Church register. Such persons act very inconsistently. The man who thinks himself unsit to communicate the man w self unfit to commune at the Lord's table The Dalhousie College Gazette is once more norance of meu. Of course, a man may be charged with delinquincy if he willfully abstains from the Lord's supper. So say the General Rules—but common sense settles

Sambro Light bearing N.W.‡ W. 4 3-5 miles, Chebucto Head Light N. ½W. 6 1-7 miles, Devil Island Light N. by E[7-8£. 10§ miles, and Portuguese Buoy N.7-8 E. light is shown from each mast at an elevation of 31 feet from the water line, and 27 feet from the deck offthe vessels. The Lights are situated 39 feet apart shid in clear weather will probably be seen at a distance of 12 miles.

The Lightship is for the purpose of guiding vessels into Halifax Habor. It is calculated that on vessels approaching from the Westward, by steervessels approaching from the Westward, by steering for the Lights on an E. by N.½N. bearing they will pass 3½ miles outside the S. W. Breakers; and from the Lightship a course N.½ E. will lead § mile from Chebucto Head, and mid channel between the Litchfield and Neverfail Shoals, and in a fairway up the Harbor.

fairway up the Harbor. Stean Fog Alarm. A Steam Fog Whistle has been placed on board,

The above is in addition to our usual large Stock of STAPLE and and will be sounded during thick weather, fogs and snow storms for 12 second in each minute, leaving calm weather or with the wind the whistle will probably be heard at a distance of from 10 to 15 miles
and in stormy weather or against the wind at from
3 to 6 miles.
