Your customers want something to ward
off the rigours of this wintry weather, and
you can just fill the bill by selling them

Robinson's Patent Barley!

It is an equally efficient food for infants and invalids, and you can
recommend it without hesitation. Stock "Patent Barley"—it's
right in your line, and there's no reason the drug-store man should
have a monopoly of this quick-moving product. Remember the
name—Robinson's.
