Mercantile Summary.

THE EXCISE duty on spirits manufactured from
molasses, in bond, has been reduced from 65c. to
63c. per gallon.

THE FIRST tea-ship for Canada this year will
be due about the Queen's Birthday. She sailed
from China on Jan. 13th, and is consigned to a
Montreal firm. The value of her cargo may be
judged from the fact that the Canadian duty upon
it is estimated at \$20,000.

A NEW semi-weekly line of freight steamers will
ply this summer between Montreal, Glasgow and
Liverpool, connecting with the Grand Trunk
Railway. Mr. Allan has perfected the arrange-
ments for these steamers, which, we understand,
are to be a separate and additional line to the
main "Allan Line."
