Railwau Company Accused of Carry- An ing Nitro Glucerine in Car With

ESSEX, Aug. 12 .- The authorities are determined that a rigid inspection shall be held to fix the responsibility of the explosion which took place here. County Attorney Rodd says that no matter what the verdict of the corener's jury is he will commence prose-

Mayor Hicks has telephoned the Dominion Railway Commission, asking for an investigation. Rodd gives is as his opinion that the dynamic was carelessly packed in the car and there was gross negligence in allowing a car of such merchandise to stand for 48 hours on the track in hot weather. One of the most sensational finds was the cap of a bottle marked "nitro glycerine." It was picked up by Frank Brown, and while it was some distance from the wreck was so surrounded by debris as to leave little loubt that nitro-glycerine was being parried in the car. It is against the Canadian law, and will tend to dam-
