

NEW YORK, Oct. 25.
Jenny Lind made her first appearance at New York last night, at the new Tripoli Hall, and was most enthusiastically received, and every seat occupied. She gave more satisfaction than ever.

GROG SHOPS FOR WOMEN.—A respectable New York paper positively asserts that there are certain secret places in that city, furnished in the most gorgeous style, and patronized almost exclusively by women of wealth and fashion, who go there first for ice creams, fruit, &c., then for claret, champagne, brandy, mint juleps, sherry cobbler, and brandy slings. "This is no fancy sketch; there are at this moment scores of women of the first rank in a society who have become inveterate tipplers at these places."

The Hon. Adam Ferguson sailed from New York for England, a few days since. "Trouble in the Wigwag"—The Hoops "Busted Off."—Leather is down at the heel. The story is, on the authority of a respectable merchant of this city, that Mr. Hoop, the man "what was a comin'" to buy the Macadamized roads right away from the County Council, and to take 'em down to New York to fill up his big swamp, has backed right out of the hills. He says he won't buy the roads no how, and never said he would. He wouldn't a gin \$30,000 for the whole 'em, much less for half. Mr. Bealy has been hid away among the calf skins ever since the news came to town. It is certain there is a wheel off somewhere. The gates have not passed into the hands of the Bealy Company, and if the story from New York be true, we fear the said Company has exploded. The Government will lose that £100 after all!—Toronto North American.

Parish of Turiff-Induction.—On Thursday week, the Rev. John Cruickshank, late of Niagara, was formally inducted into this charge and parish. The Rev. Dr. Mackintosh, Aberdeen, introduced him on the following Sunday.—Aberdeen Herald of the 25th Sept.

Effect of the New Fugitive Slave Bill.—Yesterday a party of fifty-one colored men, women and children, from Pittsburgh, under the command of B. G. Sampson, a mulatto, of very considerable ability; crossed the ferry at Black Rock into Canada. They were all armed "to the teeth" and on their way to Toronto. When in the middle of the River, they made the welkin ring, with huzzas at their safe escape into a land, to them, of freedom. When they landed on the British side they paraded on the beach, and again swung their hats, and gave shouts of joy, mingled with song. It is said that one hundred left Pittsburgh of this party, but forty-nine dropped off and remained in the States for the present. It is also stated that fifteen hundred have already organized and are on their way to Canada from the States. In this party were seven females and four children.—Buffalo Republic.

Burning of the Parliament Buildings.—Mr. Henry B. Jameson was arraigned before the Court in Montreal, on Wednesday last, for the destruction of the Parliament Buildings.—Church.

Halifax Railway.—Paul Gray has notified the Nova Scotia Government that the British Government will grant assistance towards building the Halifax and Portland Railway. Paul Gray approves of the enterprise, and expresses the belief that Halifax will ultimately be the chief port for trans-Atlantic communication. Fugitive slaves continue to be daily arrested in all parts of the Union under the new slave law. Accounts from Prague state that not even the state of siege could preserve Haynau from insult during his recent visit to that city. He could not show himself without being greeted with hisses and shouts of "Down with the Austrian butcher!"

Forty-six churches have been erected and fifty clergymen added to the Roman Catholic mission in Scotland during the last ten years.

MARKETS.
GALT, Oct. 25.
The price of Wheat remains at 5s. 6d. York in Galt. At Paris it is 5s. 4d. York per bushel. The chief part of the Wheat this week, sent into the Galt Mills, is from the vicinity of Paris, and the Township of Blenheim, and is of excellent quality.—Reporter.
Dundas, Oct. 25.
Since our last quotations, prices have slightly advanced, and again declined. Wheat cannot be quoted higher than 5s. 3d. York, with downward tendency. At the figure immense quantities are coming in. In other articles, no change worth noticing, and in flour nothing doing.—Warrior.

LIFE INSURANCE.
THE Undersigned, having been appointed Agent for "THE CANADA LIFE ASSURANCE COMPANY," intends, within the next two months, to make the circuit of the County, for the purpose of receiving applications. The success of "The Canada," in the few years it has been in operation, has induced the Directors to lower the rates very considerably. Tables, now in the press, will be ready for circulation in a few days, showing the rates at which Insurance can be effected at the different ages of applicants.
The Undersigned, availing himself of the opportunity, will at the same time solicit applications for Fire Insurance in the "County Mutual," now occupying so favorable a position, from the fact that no losses have been incurred by it for nearly two years.
