"THE BLOOD IS THE LIFE,"

—THE LANGUAGE OF SCRIPTURE.

FROM its own merits and great works, this Wine is fast becoming the favorite medicine among every class of people. Known as the most effectual remedy for general Debility, Nervous Affections, Consumptive Decline, Complaints of the Kidneys, Heart, Lungs, and, above all, the diseases arising from impure Blood and habit of the System, eminent members of the Medical Faculty have sanctioned and ordered the use of it.

Dr. L. A. STANLY, a celebrated Physician, in a letter from Princeton, New Jersey, dated November 16, 1849, declares that in all his experience he had never seen anything to compare with the Forest Wine and Pills, at the same time relating several cases of constitutional Debility and Scrofulous affections which it cured in an incredibly short time. Among the members of the Medical Faculty of New York, who have witnessed the great results of the Forest Wine, and recommended it in many cases of complaints, will be found the names of the celebrated Dr. M. Thomas, Dr. S. S. Mott, Dr. L. Dunscomb, Dr. Colton, Dr. William Brown, Dr. Murphy, Dr. J. M. Morgan, and others.

TESTIMONY of Johnson Burke, a highly respectable citizen of Waverly Place, New York:—

Dr. G. W. HALSEY:—DEAR SIR,—I esteem the Forest Wine as the King of Medicines. It has done for me in five weeks what three Physicians failed to do in six many years. In 1845, I became the Heart Disease and Nervous Affection, which have been growing on me ever since, until I procured your Forest Wine and Pills, although I had wasted several hundred dollars for medical attendance. During the last two years I was obliged to keep my house nearly all the time, and gave up business in consequence of my ill health. I had nearly lost all hope of recovery; my complaint of that class under which "nature sinks and life has no charm." Seeing you have Forest Wine advertised, I concluded to give it a trial, and before finishing the third bottle I felt like a different person, and was able to resume business again, entirely cured, by taking five bottles. For the benefit of those afflicted with similar complaints you are at liberty to publish this. Yours, &c.,

JOHNSON BURKE, Waverly Place, N. Y.

HEMPSTEAD, Dec. 1, 1847.

DR. HALSEY:—A bottle of your Forest Wine and box of Pills, which I procured of Mr. James Carr, (your Agent for this place,) has done wonders for me. I had been in a state of decline for more than a year, afflicted with a dreadful cough, pain in my breast, general debility, and loss of appetite, I became almost a skeleton, and had been unable to leave my room for more than two months; my friends told me I had the Consumption, and despaired of my recovery. I could not obtain any permanent relief from any medicine I had taken, or my physician, until your Wine and Pills were procured. The first dose of the Pills brought up from my stomach much phlegm and greenish matter, and my stools were perfectly black. I then commenced taking the Forest Wine three times a day, my appetite began to return immediately, my cough left me, and in less than five weeks I was almost well. I now enjoy better health than I ever did before, having increased twenty five pounds in seven weeks. Your Forest Wine and Pills are highly valued in this vicinity, and I owe my recovery entirely to their virtues. Yours, respectfully,

MARTIN CALDWELL.

The following Certificate, voluntarily given by Mr. E. G. Mussey, a respectable and well-known citizen of Cohoes, New York, is an evidence which cannot remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

This is to certify, that I have used Dr. Halsey's Forest Wine in my family with the most entire success. My wife was badly afflicted with Neuralgia, affections of the Spine and Kidneys, and general Debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of this excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar diseases, may safely rely on its virtues.

Cohoes, March 5, 1850. E. G. MUSSEY.

More Testimony from Cohoes.

DR. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Terry's, your Agent for this town, and procured a bottle of it, which restored her in a very short time to perfect health.

HENRY DONALDSON.

Cohoes, April 12, 1850.

The testimony of upwards of three hundred individuals, some of whom were afflicted with dreadful disorders, and considered incurable, may be seen at Dr. Halsey's principal Office. The following are some of them residing in this city:—

Mr. Asa H. Smith, 167, Prince Street, Office in Wall Street, was long severely afflicted with a disease of the kidneys and bladder. The best medical skill answered no purpose. He tried the Forest Wine, and it met his case, and he was completely cured by the use of four bottles and a box of the Forest Pills.

Mr. John B. Bell, Merchant, in Pearl Street, was for four years a martyr to severe Rheumatic Pains, and could find no relief until he used the Forest Wine and Pills, and recovered by taking six bottles and less than a box of the Pills.

The remarkable efficacy of the Forest Wine is very striking in the case of the Hon. S. J. Bronson, of Virginia, who was cured in a few hours' time of a severe attack of Bilious Diarrhœa and general prostration of bodily energy. On the arrival of this gentleman in New York in March, he was in such a sad and nervous, from the effects of his illness, that he could not arise, and required assistance to enable him to walk to his apartments. The Wine proved sufficient, and in succession to the use of less than a bottle of wine and a single dose of the Pills.

The Forest Wine and Pills are recommended to an efficient and certain cure in all the following complaints:—

Liver Complaint, Habitual Costiveness, Liver Complaint, Asthma, Piles, Obstinate Headache, Bilious Attacks, Dyspepsia, Mistakes and unhealthy Color, Disorders, Pimples, Blotches and unhealthy Color of the Skin, Jaundice, Fever and Ague, Pain in the Side, Breast, Limbs and Joints, Rheumatism, Neuralgia, Scrofula, Erysipelas, Weakness, Debility and Nervous Disorders, Consumption, Ill Health and impaired state of the Constitution.

With pleasure I assert, that the use of SMITH'S EXTERMINATOR was attended with complete success in destroying Cockroaches, Beetles, and Rats, in and about my premises; which was effected without any inconvenience.

Quebec, 7th March, 1849.

My premises have been infested with Rats for several years, and I have tried various means to rid myself of this annoyance, without success. Having been strongly recommended SMITH'S EXTERMINATOR, I have much pleasure in testifying that its use has been perfectly successful in the total destruction of the Rats with which my place abounded, and that without the least inconvenience.

From the Rev. B. Davis, D. D., Minister of the Baptist Church, Montreal.

I most willingly bear testimony to the good effects of SMITH'S EXTERMINATOR. I found my present dwelling overrun with Beetles; the nuisance bid defiance to all efforts to abate it, until this preparation was applied. One Box has sufficed to exterminate the Insects almost entirely from the house. Similar cases of success have occurred in my neighborhood.

D. SHERWOOD'S GALVANIC EMBROCATION.

NEW YORK.

THIS GALVANIC EMBROCATION is an unparalleled remedy for the Cure of Rheumatism, Acute or Chronic, seated in the Head, Joints or Limbs, Tic Doloureux and Gout in its worst forms, Palsy, Fits, Scrofula or King's Evil, Spinal and Hip Complaints, Stiffness of the Joints, Lumbago, Neuralgia, Chilblains, Fever Sores, Sore Throat, Ringworms, Piles, Swellings, Bruises, Sprains, Salt Rheum, Ring Worms, Scaldheads, Shitre or Thick Neck. It is like the Skin, for scrofulous Affections, and for all Diseases it was highly recommended in the most confirmed cases of Scrofula and Scrofulous Affections of the Throat, Neck, Face, &c., &c.

It is now generally admitted, by the learned and scientific, that the mysterious power called Galvanism or Magnetism is in fact the principle of Vitality or Life, and that disease in many of its most painful forms is entirely owing to the absence of this Galvanic or Magnetic power in its healthy proportions. If, then, we can readily supply this wonderful power, when it is thus deficient, we can successfully combat disease; and this has been fully and perfectly attained by this most wonderful scientific discovery. Combining Magnetism or Galvanism with a Fluid which has cost the inventor of this remedy years of study and labor.

There is not an intelligent Physician, who has kept pace with the progress of science, that does not readily approve of the use of the Magnetic power in various diseases, and there is no Medical Journal, either in this country or Europe, which makes its appearance, without the statement of various cures, showing some new effects of these wonderful powers. The inventor of the *Galvanic Embrocation* has great pleasure in being able to state, that a majority of the most distinguished Physicians of New York and Boston recommend this Embrocation in their practice, and from many of them he has received the kindest testimonials of approval and commendation.

ELEGANT AND INVALUABLE ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,

FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate from Dr. Winslow Lewis, one of the most eminent Physicians in Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

Mr. Wm Bogle,—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind; it eradicates and beautifies the hair, and clears the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair,

BOGLE'S AMOLE,

A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and from the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—a lather which forms the warm moisture, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the dressing room of the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Stanton St. Barrett, Saratoga Street, East Boston:

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference. After repeatedly trying all other so-called remedies, and by the advice of friends, she was induced to use your Hyperion Fluid, and is happy to say that in about her time to regain the hair to grow all over the part affected. She has used only two bottles, and that very frequently; and she assures me that she has no doubt but that, if she had used the growth of the hair would have been speedily restored.

BOGLE'S BREASIANA,

Eradicating Tan, Pimples, and other eruptions of the skin, and effecting a fair, delicate, and blooming. It is equally efficacious in producing these effects from the use of steamers, and freshness of complexion is to be found in the users of Breasiana.

All the above articles have stood the test of the severest scrutiny, and are GUARANTEED superior to any preparations now extant.

Hyperion Fluid.—This is an article of the kind admirably adapted for the purpose for which it is designed. It is free from any poisonous ingredient, and is perfectly harmless in its effects upon the hair or skin. Many others do, sometimes, produce the desired effect of restoring the hair, but they are generally followed by such injurious consequences as to more than counterbalance the benefit derived from their use. Bogle's Hyperion Fluid is entirely free from any such objection, and is recommended to the public with confidence.—*Boston Daily Times.*

Bogle's Hyperion Fluid.—We have used this article, and find it to be all that is represented. It is the most delightful dressing we have ever used, and is invaluable to those who are troubled with dandruff. It is certainly the best article of the kind we have ever seen.—*Boston Daily Bee
