Borden has trampled upon by the mailed hand done remarkably well. better than of authority." many expected, and some time in Opposition will be as good for our party as it was for yours from 1896 to 1911." And what this Reformer thinks is also in the minds of many others on that immigrants. Australia's campaign side, the Dominion over.

x x x There isn't much to pick between the British militant suffragettes and the Ottawa jawsmiths.

The Toronto Globe insists that the manning of the proposed Dread-of thousands of fellow subjects of noughts with Canadians is the vital the King to occupy them in a sunny issue. How on earth could that be and expansive life. The new country done practically off hand, in the case of supporting a million people. South of three Dreadnoughts, when not Australia has enjoyed a long period enough Johnny Canucks could be of prosperity, having during the last found to man the two toy ships secur- six years been able to pay off \$15. ed by Laurier?

#### \*\*\*\*\*\*\*\*\* What the Other

A Cause of Prejudice Against Doctors.

(Montreal Herald) Doctors need protection just as much, and perhaps more, than other professional men. Quacks, masquerading as doctors not only bring the profession into disrepute, but cause serious mischief to the public to whose service the doctor's skill is

ing criticism of the medical profes- effect upon worms. They have been doctors have themselves to thank for are recognized as a leading preparait, at least so far as Ontario is con- tion for the purpose. They have cerned. The Ontario Medical Coun- proved their power in numberless cil has repeatedly refused to "clean cases and have given relief to thoushouse," Members suspected of grave ands of children, who, but for the crimes-to say nothing of merely good offices of this superior comford will catch up rapidly does not unprofessional conduct—have gone unpunished by the body which is sup- enfeebled. posed to guard most jealously the reputation of the profession. The council has, on the other hand, prohouse building are already on the secuted with the most exemplary enthusiasm, those of its members suspected of advertising.

#### The Gladstone Precedent

(Toronto Telegram) ors are now seeking to claim it as a Obstruction was wounded unto direct insult to Canada to say that death by the late W. E. Gladstone's the Dominion cannot build Dread- amendment to the ancient rules of debate in the British House of Com- on business Thursday.

Closure was first established in Mr Gladstone's amendments to the rules. The people who built the Canadian The death and burial of parliament-Pacific Railway and who have suc- ary obstruction were brought about by modern improvements to these rules. Closure in its original form was established by amendments that were introduced and passed at one kins of Waterford were the guests of sitting by the British House of Com-

#### Suffrage in Michigan.

From the Cleveland Leader As Winston Church'll, First Lord One of the most important events trouble known as asthma know what of the spring to millions of women it is to long with their hearts for esin his correspondence with Mr. suffrage will be the spring to millions of woman suffrage, will be the result of the know when an attack may come and orden, the turning out of the giant vote to be taken in April on a condern fighting machines is not a stitutional amendment submitted to vain. With Dr. J. D. Kellogg's Asthe people of Michigan. It is practi- thma Remedy has brought new hope The Laurierite obstructionists are cally an appeal from the decision of and life to many such. Testimonials. that State in the general election last the enormous benefit it has wrought fall, when the equal suffrage amendrecend that to face this plain truth ment was rejected by the narrow ma- among women everymhere. jority of about 600 votes.

The advocates of equal rights for the sexes have claimed from the first that the returns were held back suspiciously in two or three of the hostile counties, and they have been un-willing to accept the verdict of the ing to make the pretence that official count. Now they will have anw like those letters of Winston other chance in an election which mehill. Well, they have been used will draw fewer voters to the polls swallowing so much with a bit- and will afford better opportunities taste that maybe they have be- for success, provided that their side has the more ardent and loyal support. The result next month will turn largely upon the relative zeal and earnestness of the suffragists and their political foes.

Some Mixed Metaphors. From the Strand. The House of Commons is never so dear friends, those bumps on unsympathetic editors," while Lord cents a box from the Dr Williams Curzon remarked that "though not Medicine Co., Brockville, Ont. these days are not caused by hache They are the result of the wood, we have a good ship."
