wish you to tell your father something." She drew me to the telephone, called up my father, then, placing me in position to talk, told me what to "Papa, ask Mrs. Crimmins for the papers I took out of my desk. You will find one among them signed Amy, with something in it about Cornelia. I will hold the wire till I hear from I heard a click and knew that my father had gone to do as I had indicated. Cornelia awaited another call with feverish anxiety. Ten minutes had not elapsed when there was a ring. Then I heard my father's voice saying: "I have read Amy's letter. Since all is explained 1 see no reason why your location should remain a secret. Tell the lady that if you give it to me I will come to join you immediately." I received permission to give the street and number, and within twenty minutes there was a sharp ring at the doorbell. My father entered. He and the lady stood regarding each other for a few moments; then he knelt before her and said: "Forgive me." He rose, and they were clasped in each other's arms. . But I, having no mind to be left out of these transports, running up to "Won't you take me in too?" My father took me up and held me in his arms, while the lady put hers about me also, covering me with "To think," she said, "that you should have been the means of bringing this matter to light!" "I have been a fool," said my father, "to believe anything that fiend said;" then to me: "My boy, this is your mother. Prompted by a malicious woman who wrote a confession which she had not either the courage or sufficient time before her death to give to me. I treated mamma very cruelly. "Are you the lady," I asked of my dollar than the rate of the City of Brantford, as heretofore, and the assessment of real property within drew me after her. She took me up to the house and into a pretty room where a bright fire was blazing on "You are very kind," I said, "to take

The Imperial Life Assurance Company of Canada

THE following are some outstanding features from the Directors' Report submitted at the Annual Meeting of the Company held on Wednesday, January 8th, 1913, and covering the operations of the Company in 1912:

| Assurances in Force | 1911 \$34.518.000 | \$38,734,686 | \$4.216.686 | |
|-------------------------------|--------------------------|--------------|---------------------|-------|
| Assurances Issued and Revived | 7,136,952 | | here the states | f. |
| Premium and Interest Income | 1,545,527 | 1,795,378 | 249,851 | |
| Policy and Annuity Reserves - | 5,509,062 | 6,338,568 | 829,506 | |
| Total Assets | 7,095,443 | 8,134,420 | 1,038,977 | |
| Policyholders' Net Surplus - | 781,551 | 944,413 | 162,862 | |
| Payments to Policyholders - | 287,720 | 398,957 | 111,237 | |
| Rate of Interest Earned | 6.81% | 6.83% | .02% | |
| | the second second second | | and the states when | 1 4 4 |

The reserves for 95% of the assurances in force have been based on a 3% and those for the balance on a 31% interest rate.

The Company's policy reserves are now on a stronger basis than those of any other Canadian life assurance company.

The results achieved in 1912 surpass in all departments those of any previous year in the history of the Company.
