### DEATH OF WILLIAM KARLEY

With deep sorrow citizens of Athens learned on Tuesday morning that during the night the spirit of William Karley had taken its flight.

Mr Karley was subject to hemorrhages and several times during recent years he has been near to death's door. He suffered one of these attacks about two months ago and though he rallied at times he grew steadily weaker until death came. He was aged 62 years, 11 months.

No citizen of Athens was ever more highly esteemed in village and country than Mr Karley. His name was a synonym with all that is fair and honest in business and his social qualities were such as gained the friendship and esteem of all that knew him. A prominent member of the Conservative party, his course was always such as to retain the confidence and respect of his political opponents. A devoted member of the Anglican Church, he was a recognized leader in all that pertained to the welfare of the Church in this parish and at his death occupied the position of People's Warden.

Born in the Township of Rear Yonge and Escott, he has spent his whole life here, first engaging in the dairy business and for the last thirty years conducting a hardware business in Athens, latterly in company with Mr E. J. Purcell.

He is survived by his wife and two daughters, Mrs E. Pinkerton of Yorkton, Sask., who returned to her home from his bedside a few days ago, and Miss Jean who has been with him during his last illness. Mr John Karley, Montreal is his brother and he has three sisters, Mrs Wm Black of Brockville, Mrs Fred Pierce of Bassano and Mrs Albert Pennock.

The funeral is taking place this (Wednesday) afternoon service being conducted in Christ's Church by the Rector, Rev. W. G. Swayne.

### Death At Addison

The death occurred at her residence in Addison, Saturday afternoon at 2.30, of Mrs Boyd Hall, an elderly and esteemed resident of the township. She had been in feeble health for several months, due to advanced years.

Deceased was 85 years of age and resided in the township all her life. She was Ellen, daughter of Eels Gilpin. Mr Hall died three years ago and her only surviving relative is one brother, Mr Wm Gilpin of Cobden. The late Mrs Hall was a woman of fine Christian character and affable disposition. She possessed the respect of all her acquaintances, and in passing a noble life has been taken. The remains were brought to Athens vault on Monday last.

Village council meets on Monday evening next.

### BEE-KEEPERS' CONVENTION

The Leeds and Grenville Beekeepers' Association held their annual meeting in the commodious quarters of The Branch of Ontario Department of Agriculture in Athens.

The fore-noon session opened at 10.15 o'clock with the genial President, W. A. Coon of Elgin, in the chair.

The Sec.-Treasurer, H. E. Eyre of Chantry, read the minutes of last annual meeting and mid-summer meeting or field-day, and also presented the financial report, both of which were approved and adopted.

The Apicary demonstration or field-day for the coming summer was discussed at length, and finally left with the executive to arrange the time and the place for the demonstration.

The election of officers resulted as follows:—

Hon. Pres.—W. H. Smith, B.S.A., Agricultural Representative.

President—M. B. Holmes

Vice Pres.—W. D. Livingston, Frankville

Sec. Treas.—H. E. Eyre, Chantry

The only change in the board of directors is the election of Wm McKnight of Westport in place of L. Bateman of North Crosby.

The afternoon session had the report of Inspector of Apiaries by Mr Joel Barlow, the manufacture and use of comb foundation by R. H. Carle, and the question drawer, which drew out a lively discussion on the diseases of bees and the immunity of the improved races of bees from disease, the discussion being cut short only by the time for the outgoing train.

Members who were not present at the convention are asked to send renewal of membership (\$1.00) to the Secretary at once and thus avoid missing copies of "The Bee Journal".

Raining on Tuesday—10 deg. below zero on Wednesday with a gale from the north. Nothing monotonous about our Canadian winter.

Toronto News announces that A. E. Donovan, had purchased for the insurance company which he represents a building and property on a Yonge street corner in Toronto for \$1,000,000.

### What They Cost

Postmasters will be frequently asked concerning the annual cost of a rural mail box, therefore it might be well to understand that there is no annual fee to pay for a rural mail box. The first cost is \$3.00. This is the only charge, and boxes are served free of cost for all time, or at least as long as the present regulations are in force. The carrier is paid by the Government one dollar a year for each box he serves, in addition to the amount of his mail contract.
