## SEPARATE WAISTS

Dainty Lingerie Affairs to Be Worn  
Under Short Coats.

Under the new short boleros will be  
worn some very smart specimens of  
batiste shirt waists ornamented with  
valenciennes lace and embroideries or  
quaint muslin embroideries. Hand-  
made French blouses, although expen-  
sive at first, are well worth the initial  
cost, for they clean beautifully and  
can be worn many times for many dif-  
ferent occasions.

The transparent lace waist lined  
with chiffon and worn over an elab-  
orate silk corset cover is another fea-  
ture of the smart woman's wardrobe.

Black waists of net chantilly and  
crepe de chine are always smart with  
full veiling skirts.

The black silk coat is here with us  
again, only the silk is softer, and the  
trimming oftener than not is in the  
shape of wide bands of shirring.

Gray is the leading color for present  
wear, and the new tints range from  
almost white to gun metal. There are

GRAY SHIRT WAIST

also greenish grays, and grays with  
quite a violet tone, so that every com-  
plexion can be suited.

A blouse of black crepe de chine,  
with a very deep yoke of ecru lace, has  
closely gauged sleeves falling over the  
elbow in wide puffs, with a deep  
shaped cuff of lace reaching nearly to  
the elbow. Small bows of narrow  
green velvet ribbon conceal the front  
fastening of the blouse and are set  
closely down each cuff, to reappear in  
a shorter line at the back of the swath-  
ed belt.

The cut shows a gray shirt waist  
trimmed with scarlet plaid and worn  
with a scarlet tie and belt.

## THE SUMMER WARDROBE.

Brown Will Be Worn a Great Deal.  
Cream Lace and Jet Ribbons.

Brown will continue to be worn all  
summer. It will be seen mainly in lu-  
storous silk in the form of shirt waist  
suits and tailor made. Brown in its  
reddish tints will also be a smart trim-  
ming for pongee dresses.

For evening wear cream lace gowns  
embroidered in silver are very beauti-  
ful, and black chintilly over white is  
always smart as well as serviceable.  
Dead white lace is equally smart, but  
it is very trying to most women.

Heavy embroideries are quite the  
most up to date trimmings. Pastel  
cloth gowns are trimmed with combi-  
nations of pale tints. Silver and gold  
threads are often introduced into the  
more elaborate ornamentations.

Jet robes most fancifully made up  
are both pretty and serviceable. They

VELVET DRESS

have large sleeves of kilted chiffon cut  
so as to reveal the bare arm at its  
best.

A smart coat seen recently was made  
shorter at the back than in the front,  
and it was so slashed that it showed  
the dainty blouse under it. It had no  
collar, and the square cut fronts hung  
loose.

Liberty satin and liberty foulards  
make pretty little street dresses, with  
shallow yokes or pointed collars of  
embroidery, the same embroidery ap-  
pearing also on the sleeves.

The picture shows a white veiling  
gown made over white taffeta and  
rimmed with cream lace. The cream  
hat is draped with similar lace.

## The Nice Woman.

The term "nice" has been so over-  
taxed that it has come to convey a  
rather vague meaning apart from the  
general idea of agreeableness. It is  
really a comprehensive term, embrac-  
ing all the desirable qualities in a wo-  
man. A nice woman says "Good morn-  
ing" as if she meant it, and she shakes  
your hand in the same hearty way.  
She shows real sympathy for suffer-  
ing and is eager to relieve you. She  
does not rail at the weather or at petty  
inconveniences. The woman who is  
designated "nice" does not indict her  
friends with her bodily ailments and  
petty cares. In other words, the really  
nice woman is reasonably optimistic.—

## FOUND WHAT HE WAS LOOKING FOR

A Complete Cure for Bladder  
Troubles in Dodd's Kidney  
Pills.

James Atwell Tried Other Medicines  
and Bandages But They Failed—  
Dodd's Kidney Pills Didn't.

Campbellford, Ont., May 16.—(Spe-  
cial.) "I had a bandage and got no  
relief for years. I could get no  
relief till I tried Dodd's Kidney Pills  
and they cured me."

This is the statement of James  
Atwell of this place, and all his  
neighbors know it to be true. Speak-  
ing further of his cure Mr. Atwell  
says:

"For five months of the time the  
pains in my bladder were very severe  
and in passing my urine would hurt  
me so as to almost cause tears to  
come to my eyes.  
"I used other pills and got no re-  
lief. I used a bandage and got no  
relief. Dodd's Kidney Pills cured me  
completely and permanently."  
All bladder diseases are caused by  
disordered kidneys. There is just one  
natural way to cure them—by curing  
the kidneys with Dodd's Kidney Pills.

**Cure For Warts.**  
Touch the warts on your hands twice  
or thrice a day with castor oil or oil  
of cinnamon. Another very simple  
way to cause them to shrivel away is  
to anoint them with your own saliva  
the first thing every morning. A touch  
of acetic acid is also effective.

## DRUGGING WON'T CURE CATARRH

All the medicine in the world taken  
into the stomach won't cure catarrh,  
and it's useless to squander money on  
tablets, bitters and liquid reme-  
dies. Catarrh is a disease of the nasal  
passages, throat and bronchial  
tubes. Stomach medicines can't reach  
these parts. It's only fragrant, heal-  
ing Catarrhazone which is breathed  
all through the air passages that is  
sure to reach the seat of Catarrh.  
No failure ever known if Catarrh-  
azone was used. It heals and doesn't  
irritate; it soothes, kills the germs  
and therefore cures. Use only Cat-  
arrhazone, the one certain cure. Two  
months' treatment \$1.00; trial size  
25c.

He who gives himself airs of impor-  
tance exhibits the credentials of im-  
potence.
