

HOW A HOME WAS LOST.

The Bitter Experience of Mr Elwood, Sr., of Simcoe.

Attacked with Neuralgia of the Limbs he became Helpless and Suffered Intense Agony Spent His Home in Doctoring with Specialists Without Avail Dr Williams' Pink Pills Came to the Rescue when other Means had Failed.

From the Simcoe Reformer. The many Tributes of Dr Williams' Pink Pills for Pale People have so often been published in the columns of this paper, that they are widely known to the residents of Norfolk County, and it is as a matter of course that they have brought joy to more than one household, and their merits are spoken of only in words of praise. In this instance the facts are brought directly home to the residents of Simcoe, a gentleman who is glad to testify to the benefit he has received from the use of these pills being a resident of this town. Mr Wm. Elwood, Sr., a resident of Simcoe for about two years, and for years a resident of Fort Erie, a carpenter by trade, is loud in his praise of the benefits he derived from the use of Pink Pills. In an interview with Mr Elwood, that gentleman told the Reformer that about eight years ago he was attacked with neuralgia of the head and throat, and was obliged to quit work, and since that time has not been able to resume his calling. The disease, shortly after he was taken ill, developed into neuralgia of the lower limbs, from which he suffered terrible agony. During his long illness the services of specialists in both Toronto and Buffalo, as well as those of local physicians both in his former home and in Simcoe, were called into requisition, but to all no purpose.

"WAS UNABLE TO WALK AROUND." So bad did he become, and so great were the pains that shot through his limbs, that at times Mr Elwood had to be held down on his couch. His stomach and bowels were seriously affected and he was indeed in a deplorable condition. About a year ago he lost the use of his left foot and ankle and was unable to walk around his home without great difficulty. At one time Mr Elwood was possessed of a good home, but so long was he ill that he spent all his property in the hope of regaining his health. Last fall Mr Elwood commenced taking Pink Pills and shortly after he began to feel an improvement in his condition. He continued the use of the pills until he had taken thirteen boxes when he began to feel the use of his feet and ankles and thought he was about cured and discontinued their use. So long had he been a sufferer, however, that it was impossible for him to become convalescent in so short a time. An attack of the grip again brought on the disease, but not by any means so terrible as formerly. Mr Elwood again commenced taking the pills and in fact regaining his former health and feels certain that the Pink Pills will exterminate all traces of disease from his system. He feels so gratified at what the pills have done for him that he gladly gave the information to the Reformer for publication in the hope that his experience may be a benefit to some other sufferer.

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to his old strength. In cases of paralysis, spinal troubles, locomotor ataxia, eczema, rheumatism, erysipelas, scrofulous troubles, etc., these are superior to all other treatments. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the rich glow of health to their cheeks. Men broken down by overwork, worry or excess, will find in Pink Pills a certain cure.

Sold by all dealers or sent by mail, post paid, at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y. Beware of imitations and substitutes alleged to be "just as good."

The McCord Case. His Disease Pronounced Diabetes and incurable—Given up by Himself and Friends—Cured by Dodd's Kidney Pills.

Richmond, March 16 (Special)—The talk of farmers and others in town is mostly about the astonishing cure of Wm. McCord, a farmer near here. His promise made assurance viable, and he said—"After the doctors pronounced my trouble Diabetes no one thought recovery possible. I was partially paralyzed, was nine months in bed and ran down until I was a mere shell. When I commenced taking Dodd's Kidney Pills I struck close to directions. One box helped me and nine boxes cured me. Am sixty years old and have lived here forty years." Dodd's Kidney Pills are sold by all druggists and dealers. Price, 50 cents a box.

A skeptic, engaged in a religious discussion with a country pastor, thought to end the whole matter by declaring that there was no such place as heaven, and that, for his part, he believed in metaphysics.

"You believe, then," said the pastor, that your soul may enter the body of a beast after your death?" "Certainly."

"And you expect to feel quite at home, I suppose?"

Thereupon the skeptic decided that the best word was with his own gun.

Thirty-two of Macleod's thirty-nine voting constituencies have returned representatives pledged to prohibition.
