It is to the credit of Sir Robert Berden that he has done more for the cause of equal suffrage in Canada than any other Federal stetemant. He has taken the first definite step by enfranchising women rétaitives of the soldiers on active service. He has also extended the franchise to the women on active service on the same terms as the franchise to men soldiers. The cause of an emancipated womankind se part of the great cause of democracy for which the Allies, including the citizen soldiers of Canada, are giving their lives. Clear-seeing woman can afford to allow Sir Rober. Borden a reasonable time to carry out the equal suffrage pledge he has given and not try to force the Government to enfranchise every Canadan woman in one step by the War. Time Elections Act.

hotels and taste coffee prepared by expert chefs.

Now Red Rose Coffee was produced especially to meet the critic's keen, educated taste. It is a blend of the richest coffees, and is crushed—not ground.

Some men, whom we know to be real kickers, have been kind enough to say that the flavor is equal to that of any coffee they have ever tasted.

If you are a kicker, have your wife make you a cup and then tell us what you think of Red Rose Coffee.
