## Acadia Wins Championship

### Defeats Mt. Allison in Hard Fought Game

Acadia won the championship of the Western Inter-Collegiate League when they defeated Mt. Allison on the Campus here on Tuesday afternoon by the score of 6 to 3. The weather was ideal and the game was witnessed by a very large crowd, including a large number of rooters from Mt. Allison. The college band was in attendance and furnished a splendid program before the game and between the periods.

In the first period the visitors showed up much better than the local team and Acadia's chances looked slim. The Mt. Allison team worked like a machine and the Acadia players had great difficulty in securing the ball. However they put up a splendid defence and it was not until nearly the end of the period that A. S. Ferguson succeeded in getting a touch down for Mt. Allison, fairly between the goal posts. Although the try was an easy one Mt. Allison failed to convert. The period ended with the score 3 to 0, and the Acadia rooters looked glum.

The short rest seemed to buck up the local team and they returned to the field with the grim determination to turn the tables on their opponents. The play began with a rush by the Acadia men which carried the ball into the Mt. Allison territory. The local team continued its aggressive playing all through the period and their opponents were unable to stop them. Wetmore tied the score amid the cheers of the Acadia students. Parker failed to convert. From the kick-off Acadia again carried the play into their opponents territory and after a few minutes Robinson again crossed the line and the crowd went wild. The kick was a difficult one and Parker failed to convert. Acadia continued to outplay the visitors and the game ended with the play close to the Mt. Allison line.

The game was most satisfactorily refereed by Lou Buckley, of Halifax. The line up of the teams was as follows:

MT. ALLISON	ACADIA
Peacock	Full Back
Ed. Ferguson	Halves
Clarke	Line
H. Elliott	Quarters
Anguine	Forwards
A. S. Ferguson

Attention is called to the card of Mr. R. B. Blauvelt, L. L. D., which appears in this issue among the professional announcements. Mr. Blauvelt is a clever young man, well known in Wolfville and merits the support of the public. He has opened offices in the Herbin Block, where he will be glad to meet prospective clients.

Rev. Dr. Whitelaw was the preacher at St. Andrew's church on Sunday morning. He gave a most practical and interesting address on "Spiritual Reserve" which was much enjoyed by the congregation. A delightfully rendered vocal solo by Mrs. J. W. Smith was also highly appreciated. In the evening the pulpit was filled by Rev. Mr. Stirling, who is always heard with interest by the members of St. Andrew's congregation.

## Monday Night's Meeting

### Well Attended and Good Natured—Wolfville Votes "Wet"

The public meeting of citizens on Monday evening in Temperance Hall brought out a goodly number of ratepayers and passed off tranquilly.

Mayor Fitch, who was in the chair, briefly stated the object of the Council in calling the citizens together, and Mr. Trask, who was present, stated what he thought of the project of augmenting Wolfville's water supply by an artesian well. He impressed the meeting as a man who knows what he is talking about, and without wasting words gave a fund of useful information.

The project of the Council was pretty well discussed both sides of the argument being well presented. Some of the speakers thought that in view of the fact that we had passed through an unusually dry season with sufficient water for every demand our present source of supply with increased storage capacity, would meet every need. Others urged preparedness, in view of possible demands made upon the system for fire-fighting or any other unexpected course.

The vote when finally taken was as follows: For, 47; against, 7.

Mr. Trask's estimate is that for a supply of from 20,000 to 30,000 gallons per day a well probably not over 200 feet in depth could be sunk at an expense of \$2,000 including pumping requirements. However the sum of \$3,500 was voted by the meeting to provide for the possibility of the estimate falling short.

We understand it is the purpose to have the work undertaken in the near future and completed as soon as possible.

## Important Property Change

A real estate deal of considerable local interest was effected during the past week in the sale of the McKenna Building on Main street to Drs. Leslie and Eugene Eaton, late of Madras, India. The price paid we understand was in the vicinity of \$18,000, and the new owners will take possession December 1st.

This building, which is the finest business edifice in town, was erected by Dr. McKenna in the fall and winter of 1898. It has been occupied by different business concerns and was the home of THE ACADIAN for twenty years. Dr. McKenna has carried on a successful dental practice in offices in this building, having come to Wolfville from Kentville in December, 1895. St. George's Lodge, A. F. & A. M. have occupied the third floor since the opening of the building, which was constructed by Curry Bros., on land purchased from the late G. V. Rand.

Dr. McKenna has also sold his practice to the Drs. Eaton, and will retire to enjoy a well-earned leisure after a long and successful career.

The Drs. Eaton are sons of the late Dr. Stephen Eaton, of Canning, and have been practising their profession successfully for the past fifteen years. They are clever and enterprising young men and THE ACADIAN gladly gives them a welcome to Wolfville. Dr. Leslie has purchased the property on Earncliffe avenue formerly owned by the late E. E. Archibald, and Dr. Eugene, we understand, will occupy the dwelling in which Mr. G. S. Bauld now resides.

A very pleasant and successful social was enjoyed by the members of the congregation of St. Andrew's church on Monday evening of last week. There was good attendance and a most enjoyable program was presented.

## Acadia Notes

Dr. A. W. H. Eaton, of Boston, gave an address on "The Historical Records of Nova Scotia", in the Acadia Library, on Sunday afternoon.

The annual Freshman entertainment was given in College Hall last Friday evening. The program took the form of a Minstrel Show which was much enjoyed by the large number present.

Acadia Seminary Conservatory of Music will present a series of three Artist Recitals during the winter. H. Gebhard, the famous Pianist will play at College Hall, Friday evening, Dec. 10. Mr. Gebhard is one of the best pianists before the public to-day. Nov. 12-13, he plays in St. Louis with the St. Louis Symphony Orchestra, Nov. 18-20 with Cleveland Symphony Orchestra; Dec. 17-18 in New York, with the National Symphony Orchestra and in February with the Boston Symphony Orchestra. Dec. 7th he plays at Mount Allison, Dec. 9 at Halifax and thru the efforts of Dr. H. T. DeWolfe and Prof. F. E. Marsh he comes for the first time to Wolfville Dec. 10. Tickets will go on sale next week at Rand's Drug store. In March Helen Choate, the noted Boston Soprano will give a recital in College Hall. It was with great effort that we were able to get these artists as they are both in great demand throughout Canada and the States. The third number is to be announced at a later date. If the lovers of good music want a series of Artists Recitals each year in Wolfville now is the chance to boost and make these concerts a great success. The proceeds from these concerts are to form a fund to pay artists to come at later dates. Remember the date, Dec. 10, 1920. H. Gebhard, Eminent Pianist.

"My Soldier Girl" at the Opera House on Tuesday evening was greeted by a truly good house. Those present enjoyed the story, music, and perfect costumes. The assistance rendered by the students of the College is much appreciated.

## Armistice Day

### Fittingly Celebrated in Wolfville

The weather yesterday was delightful and contributed not a little in making the celebration of Armistice Day in Wolfville the success that it was.

The program which was arranged by the Civic Club for the occasion was given hearty support by citizens generally.

A most interesting feature of the day was the presentation of flags to the different departments of the public school by the Sir. Robert Borden Chapter of the I. O. D. E. This presentation took place with appropriate ceremony at the school building at 10 o'clock. There was a goodly number of visitors present. Each department was given its own flag by a representative of the I. O. D. E., as follows:

In the principal's room the ceremony was in charge of Mrs. L. C. Moore, chairman of the School Board and Regent of the I. O. D. E. Mrs. R. W. Ford made the presentation in the vice-principal's room; Mrs. (Dr.) Cutten in Grade 8; Mrs. W. H. Chase in Grades 6 and 7; Mrs. Herbert Johnson in Grade 5; Mrs. Rachel DeW. Archibald in Grade 3 and 4; Mrs. (Prof.) Balcom in Grade 2; and Mrs. (Prof.) Perry in the kindergarten.

Addresses were made by visitors in the different departments, national airs were sung and the whole affair passed off most happily, and reflected much credit on those in charge.

At the close of the exercises the schools were massed on the play-ground where they were paraded and joined in the procession composed of Boy Scouts, School Children, and G. W. V. A., and marched to the Baptist church where the Armistice Day exercises were carried out. The parade was a most creditable one and presented a splendid appearance. It was headed by a band from the College and Boy Scouts which furnished excellent music and made a fine impression. The assistance rendered by the students of the College is much appreciated.
