that it will be more attractive to the children.

May day will be celebrated in royal style on May 3rd. It is expected that Mt. View team will be with us, and some surprises in the way of sport and sports will develop.

If you weary business men and women are seeking a day of recreation, come up. All are welcome.

Mr. and Mrs. Norval Sorrensen arrived home from Salt Lake City where they had been to be married. They are looking and feeling well and glad to be home again in Sunny Southern Alberta. The wedding reception will be given by the brides parents Mr. and Mrs. J. E. Reardon on Wednesday April 27th. We wish them a happy voyage through life.

Why Kick About Living in Alberta.

New Orleans, La., Apr. 25th.—Freezing weather and snow in many parts of the south sent cotton up \$1.75 on the opening in the local future market to-day. The new crop is reported killed in many places.

Reports coming in from many points in Louisiana and Mississippi indicate that the cotton crop has been severely damaged by the cold of last night and the night before. In many instances replanting will be necessary.

When Salt Sea Rolled Over Prairie

Calgary.—The Calgary Natural Gas company, after boring 3,700 feet for gas, has suddenly and unexpectedly come upon salt water. Though this was unexpected it brings to mind the fact that that depth is just a little below the sea level. In the countless years ago this part of the world was covered by the sea. The well caved at the bottom and put an end to further digging for the present at least.

A thorough test is now being made of the gas as a fuel by the Calgary brewery. At the conclusion of the test it is the intention to sink other wells in the vicinity. Arrangements are already made for a well at Gleichen. This will be one of a series of wells from that town to this city. It is likely that a well will be started in Langdon in a short time.

Accused Wife of Bleaching Her Locks

Reno, Nev., April 22.—Because her husband, Oscar D. Weeks, a well known physician and surgeon, formerly of El Paso Texas, but now of Cardston, Alberta, Canada, humiliated her while she was entertaining a dinner party at the home in January, 1909, by accusing her of perceiving her hair, Mude B. weeks, an attractive little woman, sought a decree of divorce today on the grounds of cruelty, and secured it from Judge Orr within half an hour from the opening of the case. The couple were married in El Paso nine years ago, but it was not long before her husband abused her. There were no children mentioned, and she said she asked no alimony, only an absolute divorce. She has made few acquaintances here, and the complaint was sealed when filed to prevent publicity.

MI-O-NA

Relieves Stomach Misery

Almost immediately

If the food you ate for your last meal did not digest, but laid like lead on your stomach, then you have indigestion and quick action should be taken.

Of course there are many other symptoms of indigestion, such as belching up of sour food, heartburn, dizziness, shortness of breath and foal breath, and if you have any of them, your stomach is out of order and should be corrected.

Mi-o-na tablets have cured thousands of cases of indigestion and stomach trouble. If you have any stomach distress Mi-o-na will relieve instantly.

But Mi-o-na unlike most so-called dyspepsia remedies does more than relieve; it permanently cures dyspepsia or any stomach trouble by putting energy and strength into the walls of the stomach, where the gastric juices are produced.

A large box of Mi-o-na tablets costs but 50 cents at the Alberta Drug and Book Co. and are guaranteed to cure or money back. When others fail, Mi-o-na cures. It is a producer of flesh when the body is thin; it cleanses the stomach and bowels; purifies the blood and makes rich red blood.
