Years Of Suffering Ended By "Fruit-1-lites"

"It is with pleasure that I write to tell you of the great benefit I received from the use of your medicine "Fruit-action", made from fruits juices. I was a great suffere for many years from Nervous Headaches and Constitution. I tried everything, consulted doctors; but nothing seemed to help me until I tried "Pruita tive".

After taking several boxes, I was completely relieved of these troubles and have been unusually well ever since". Miss ANNIE WARD.
