been this season. Large as of Tuesday and Wednesday th will not equal what it would to been it the crossing on the river had not been so uncertain. True there were not very many ciently developed, and now the appended record found by the Somerville the appended record found the sometime the appended record found the appended record found the sometime the appended record found the sometime the appended record found the sometime the appended record found the appended record found the sometime the appended record found by the Somerville police in her family Bible, seems to settle the question beyond dispute. At the top of the leaf of the Bible are these directions: "Give my Bible to my brother Jimmy." Below, on town and take their chances of getting over the river. One concern, doing a large business in the situ cover ness in the city, says its trade is 50 per cent. below what it would have been if people could have got to town any day, and they do not entertain any hope of now getting any part of this lost trade. Not a day passed for some weeks without one's hearing somebody say, "Well, I for one,

Will be pleased when the Bridge is Built," or words of similar import. The fact is that the recent course of events has made the bridge a necessity to Fredericton. For-

THE SOMERVILLE MYSTERY. A Story Which has been Exciting the Residents of the Massachussetts Town. What the Principal Actor in the Affair Says.

The following appeared in a recent issue of the Boston Herald.

Three weeks or more ago Somerville was startled by what was then considered the mysterious shooting of Mrs. Geo. A. Wentworth at her home on Joy street. She was then occupying a tenement alone, her husband having deserted her, and according to her own statement of the case, which she up stairs, when she retired for the night. Circumstances pointed to the husband as the one who attempted the murder, and no He was arraigned, but by proving a strong alibi that he was in Lynn on the night and

On the back fly leaf is written:

"Mr. James Anderson. Presented by his The unfortunate woman has gone to her native place, Fredericton, N. B., she and her husband having parted company. Desndency caused by family troubles was the cause of the rash step taken.

What Mrs. Wentworth Says: A GLEANER reporter saw Mrs. Wentworth merly this city had the Harvey trade; now at her father's residence this morning. She that goes down over the N. B. R. to St. John. is a daughter of Mr. Robert Anderson, who People in the upper part of York formerly lives about two miles above town on the the distance from Campbellton to Plaster came here; now they go to Woodstock. Did you ever notice what a great difference there is between the people who come to 500 Bushels Oats, with this thought upon finding myself compelled to get on the curb stone to get past a bevy of country girls who were laughing The epergne stands twenty-two inches and chatting together on Queen Street on high, is made of silver and lined with gold. Wednesday afternoon. To look at them one their city sisters. Yes, brethern, this cou try, that is the farming portion of it, is gradually growing richer and the people are OF CHARGE. every year having more and more of the little refinements which formerly were thought to belong exclusively to the cities.

What is the difference between our citizen soldiers and regular troops? This is not a conundrum; it is a philosophical enquiry. The other day a distinguished Sergeant was instructing a squad in the Masonic Hall. Some boys from the Church Hall School, having laid in a supply of snowballs, came up to the Hall and opened fire on the 1. S. C., and completely broke up the drill. Now what I want to get at is this. When I was a boy, and "regulars" were stationed here, we FRESH COTTON SEED MEAL would about as soon have thought of snowballing in church as to attack a company on parade. Are the boys more reckless now or the soldiers less dignified?

I wonder when the gallant captain is go-
