THE EMMERSON LIBEL SUIT.

Preliminary Hearing Before the Fredericton Police Magistrate Last Week.

CONFLICTING EVIDENCE.

The Case Sent Up To The Circuit Court, Over Which Judge Landry Will Preside.

The suit brought by Hon. H. R. Emmerson against the Fredericton Gleaner for criminal libel was tried before Police Magistrate Marsh in Fredericton on the 29th and 30th ult. The suit was brought because of the following paragraph in an editorial in the Gleaner of March 27th last:—

"This minister was Mr. Emmerson himself, and one of the places from which he was ejected with two women of ill-repute, with whom he had been keeping company, not long since was the St. Lawrence Hall, Montreal."

Premier Pugsley, J. H. Barry and ex-Attorney General White appeared for the prosecution and Mayor McLeod, J. D. Hazen, — C., and the defendant's brother, O. S. Crockett, M. P., appeared for Jas. H. Crockett editor of the Gleaner.

Hon. Mr. Emmerson on the stand said that on Thursday, June 8th, 1906, he was travelling from Dorchester to Montreal, accompanied by his mother, sister and daughter. Stopping at Moncton Thursday night, Mr. and Mrs. G. Allan met him and asked him if he would take Mrs. Allan in his private car as far as Montreal, and Mr. Emmerson agreed. Mrs. Allan had been a very intimate friend of his late wife, and he had known her since her childhood. The party left Moncton for Montreal on Friday morning, June 9th, arriving at Montreal about 6.30 that evening. At Levis, Mrs. Beuthner, a friend of Mrs. Allan's, was taken on board. He did not know Mrs. Beuthner intended to come on board, till Mrs. Allan mentioned it just before they reached Levis. He had met Mrs. Beuthner one summer, knew she had visited Mrs. LaBilloy, and believed her to be eminently respectable. He considered Mrs. Allan to be of the best repute.

At Montreal, Mrs. Emmerson left for Toronto, Mrs. Allan and Mrs. Beuthner left the train, and Mr. Emmerson and his sister and daughter went to Ottawa.

Saturday night Mr. Emmerson returned to Montreal, and went to St. Lawrence Hall to see Mr. Joshua Peters of Moncton, who always stopped there. Looking over the register he saw the names of Mesdames Allan and Beuthner and went to their room for a short talk. He then took them to the Oxford restaurant for supper. Returning, he left them and went to his own room and retired. About midnight, he was awakened by the ladies knocking at his door. He tried dressing, he admitted them, and they said they had been insulted by the porter. Mrs. Beuthner was hysterical and wished to leave the house. A porter came and apologized for what the other had said, but Mrs. Beuthner determined to leave. Then Mr. Emmerson asked one of the ladies to settle his account for him while he finished dressing, and then all three drove to the Albin Hotel,

which house he thought was one of good repute.

Mr. John Lloyd, night clerk in St. Lawrence Hall, employed there for 36 years, said that two porters had brought complaints to him about 1.30 in the morning. The Court forbade witness to state what the complaints were.

Then one of the ladies came very angry, and about ten minutes afterwards came again and paid her bill and Mr. Emmerson's. Then the three left.

Porter Harry Dean said that about midnight he saw two ladies go towards Mr. Emmerson's room. Shortly afterward, he noticed Room No. 9, taken by Mrs. Allan and Mrs. Beuthner, with door open and empty. About 1.30 he heard loud voices and laughter of ladies and a gentleman in Mr. Emmerson's room, and knocked at the door. In two or three minutes, a tall lady whom he recognized as one who belonged to No. 9, opened the door, and he told her the occupants must not make such a noise.

He reported to night clerk. Then he came again and told the occupants they must keep quiet or leave. One of the ladies followed him, and the gentleman went in another direction. Soon he saw the three leave the hotel.

Court adjourned till Monday.

On Monday, the Judge sent the case up to Circuit Court, which meets on the 18th inst., in Fredericton, Judge Landry presiding.

MORE ADVERTISING FOR NORTH SHORE.

Messrs. Anslow Bros. Will Issue an Illustrated Sporting Magazine.

That Northern New Brunswick is one of the best hunting and fishing resorts in America is a fact that is pretty well known to people throughout the length and breadth of Canada and the United States, but there are thousands of sportsmen and tourists who have not yet heard of this grand country. Five years ago the publishers of the Advocate issued an illustrated edition which had a large circulation and we have it from competent authorities that this was the means of inducing many parties to come to this section of the country to hunt big game.

This year we intend to issue an illustrated magazine containing well written stories of the hunters and tourist in Northern New Brunswick. These stories, besides being interesting, are true to life and are the very best class of literature to advertise our resources, both to the sportsman and tourist.

This magazine will be entitled "Sport in the Mic-Mac Country" and besides a large local circulation, will be widely distributed throughout Upper Canada and the United States. Ten thousand copies will be issued.

Besides choice literature interesting articles on the situation, history, industries and resources of the North Shore towns well illustrated, will be given.

As the cost of issuing such a magazine will be in the vicinity of one thousand dollars it is obvious to our readers that we will need the patronage and support of all our business men. This issue will be of great benefit to the whole North Shore. We ask the co-operation of all who have the interest of our town at heart.
