GENERAL LITERATURE & SCIENCE.

THE Catholic World contains original articles from the best Catholic English writers at home and abroad, as well as translations from the Reviews and Magazines of France, Germany. Belgium, Italy, and Spain. Its readers are thus put in possession of the choicest productions of European periodical literature, in a cheap and convenient form.

Extract from letter of Pope Pius IX.

REV. I. T. HECKER: We heartly congratulate you upon the esteem which your periodical, "The Catholic World," has, through its erudition and perspicuity, acquired even among teose who difer from us, etc.

Letter from the Most Rev. Archbishop of New York. New York, Feb. 7, 1865.

DEAR FATRER HECKER: I have read the Prospectus which you have kindly submitted of a new Catholic Magazine, to be entitled: "The Catholic Warld," which is a peoposed publishing in this city, under your supervision; and I am happy to state there is nothing in its whole scope and split which has not my hearty approval. The want of some such periodical is widely and deeply felt, and I cannot doubt that the Catholic community at large will rejoice at the prospect of having this want, if not fully, at least in a great measure, supplied.

will run as under, until further notice.

With the privilege which you have of drawing on the intellectual wealth of Catholic Brunswick & United States.

Leave CHARLOTETOWN, for SUMMER-failure, in your vocabulary.

I remain, Rev. Dear Sir, very truly, your friend and servant in Christ, Archbishop of New York.
