produced an attack of faintness. She became
weak and nervous, lost all energy, and had a
constant feeting of devead. But suffered with

which was usually followed by the smothering
sensation about the heart and fainting spelle.
She tried a great many remedies and was treated
by the doctors for some time, but obtained no
relief. She became so discouraged that she
gave up all hope of ever getting better, when
our pastor suggested that she try HAWKER'S
MERYE AND STOMACH TONIC and LIVER PILLS,
which had produced remarkable curies
in several cases he knew of. We did so and
she obtained immediate relief from the distress
