SALVATION ARMY BANQUET AND JUBI-LEE. - Saturday evening the preliminary meeting in connection with the Salva-tion Army jubilee at this point, was held in the barracks on North-st., and was well attended. Sunday four largely attended meetings were held, which were addressed by Div. Officer Burchett and wife and a number of officers from outside points. A grand banquet was held barracks Monday evening at which a large number of people sat down. After the banquet the jubilee was held in Victoria Hall, which was crowded to to the door. Addresses were given by a number of excellent speakers amongst the visiting officers, and some choice singing was rendered. The services all through were conducted in a highly decorous manner, and reflected credit upon the officers of the corps who had the getting up of the celebration. The proceeds exceeded that of any previous year.

The H S.L.S. fortnightly meeting of the High School Literary Society was held last Friday evening. The first business, the nominations for office, resulted as follows: For president, Miss Aikenhead follows: Wilson and McIntosh; 1st.

Massra Wilson and McIntosh; 1st. and Strachan; 2nd. vice-president, ian oats which yielded 80 bushels to the Misses Bella Johnston, F. Williams and O'Leary; secretary, Misses H. Andrews the other exhibits are a field squash Misses Bella Johnston, F. Williams and O'Leary; secretary, Misses H. Andrews and Porter; secretary of committee, Misses Watson; M. Strachan and Thos Knechtel, librarian. Misses Strong and Ella Dickson; treas., Messrs. H. subscribed for, read, and whose contents he enjoyed, is a retainer of another man's goods, and is on a level with a thief. Your faithfully. +John Joseph Lynch, Archbishop of Toronto.

MONEY TO BE MADE.—It is said that they expect to get a market for their surplus crops, even at the low prices on writing. Timothy hay should be sell saved and entirely free from clover, weeds, and June grass.

JOINED THE ARMY.—The Toronto the World says:—For about a year past Miss Annie Waddell, from Goderich, in his been assistant in the post office at For Erie, but for some reason she left he position over a week ago without any previous warning, proceeded to St. Thomas and purchased a ticket to Ambertaturg, via Michigan Central Rail-way, with the intention of becoming a member of the Salvation Army of that place.

At the Harder.—The following vessels are now winterjug in our harbor:—Schooners Melvins, Jame McLeod, T. N. Carter, Todman, Annie, Ariel, Pinafore, Mary S. Gordon, Evening Star and Gulnair. Tugs James Clark, Trudeau, W. H. Siebold and Dispatch. Besides the above there are the fishing boats, the dedge Challenge and her scows, and green over the salvance of the stay of the country of the country of the country. Those who need profitable work should apply an event the series of the salvation for the extension of the track at the dock, would say that he is mistrepresenting the application to the council for the extension of the track at the dock, would say that he is dund in the fact that they alway give the public that which is keenly approved the public that which is keenly approved to the public that which is keepival paper.

At the prosition over a week ago without any previous warning, proceeded to St. Thomas and purchased a ticket to Ambertal way, with the intention of becoming a member of the Salvation Army of that place.

At the Harbor.—The following vessels are now winterjug in our harbor:—Schooners Melvins, Jame McLeod, T. N. Carter, Todman, Annie, Ariel, Pinafore, Mary S. Gordon, Even and Gull.

At the salvation of the extension of the track at the dock, would any the state the application to the council for the state, when he states the application was made by or obtained the point in the s MONEY TO BE MADE, -It is said that

ing from the Atpena Labor Journal re-fers to an old lady well and favorably known in Goderich. Mrs Doyle, mother mayhap, in the county se well, the very oldest is Mrs. Susan Shannon. She is a Graham of Claverhouse, and was born, therefore, in County Fermanagh, Ire land, the date of her birth being July 17, 1791. She remained a resident of the Emerald Isle until she was a mature woman of 36, and then, in 1827, a long voyage of 11 weeks landed her in the New World—the comely buxom wife of as stalwart an Irishman as ever sought a home scross the sea. Matilda, Quebec, was their first Lome, but later, and before there were any railroads, she traveled by wagon first to Hamilton and then to Goderich. In 1871 she removed to Alpena, her present place of residence. She remembers the battle of the Windmill, at Prescott, perfectly. Ten children call her mother, 48 grandmother, and 50 greatgrandmother. When 87 years old she fell and broke her leg, but has entirely recovered, and now, during pleasant weather is a regular attendant at church, although she has reached the age of 96.

THE EXHIBITION CAR. -The car in which is stored samples of the products of Manitoba, the Nerthwest and British Columbia, arrived by the Grand Trunk Railway Saturday evening. It was visited by many people. This trip the car is under the management of Mr. W. M. Wemp, colonization agent, Toronto, assisted by Mr. Aug. Holm. Mr. ronto, assisted by Mr. Aug. Holm. Air.
Wesnp was forced to leave Goderich by
the early train Monday, and Mr. Holm
had entire charge during the stay here,
The car is attractive. The produce is arranged so as to show off the exhibits to the best possible advantage. The sides are lined with heavy topped bunchternity of Wingham.

Anniversary Services.—Rev J. E. Howell, M.A., of Seaforth, will preach the anniversary services. formly fine in appearance. Other kinds church here between now and New of fruit are raised besides that of earth. Year's, the object being to obtain funds A choice collection of apples is shown, to procure an organ to assist in the both preserved and not preserved. The song services. British Columbia preserved apples are very fine-looking specimens, as are also the white grapes and cherries. A fine kett last week.

Rev G. F. Salton, of Goderich, preached a mission sermon in this church last very fine-looking specimens, as are also were visiting at the house of Mr Plunstraw. One Greystone turnip weighs Sunday.
25 pounds and one Swedish turnip 29.
A few heads of Egyptain and French busy engaged splitting rails for W. H. spring wheat are shown, also wild hope and wild beans, which grow profusely on the open prairie. The Kohl Rabi, a vegetable midway between turnip and cabbage, vegetable marrows, and choice pumpkins are among the novelties in vegetables. Some excellent varieties of Spanish onions were also shown. The moved to Goderich where they intend to climate and soil in which the samples of reside. They will be much missed in grain shown were raised seem to have this neighborhood. been well adapted to bring them to the full development of perfect plumpness. The fulless barley weighs 57 pounds to the the bushel. A sample of white Egyptian oats which yielded 80 bushels to the of Goderich. The heads of ranch cattle serve to decorate the car. The manager pointed out that one of these cattle at the age of three years cost only \$5 for the raising. The car left by the 3.20 p.m., train for Seaforth. As an advertisement for the western provinces it is a success

Dairyman's Association of Western On-The annual convention of the above association will be held in the town of Listowel on the 11th, 12th and 13th days of January next. Dairymen, and all interested in dairy products, are urgently invited to attend. Parties at tending the convention are advised to purchase return tickets, as the commit-tee have heretofore failed to make any satisfactory arrangements with the rail way companies for reduction of fares.

By order, C. E. Chadwick, Sec'y.

## COMMUICATIONS.

To the Editor of the Huron Signal. To the Editor of the Huron Signal.

DEAR SIR, — In reply to 'Warning Note' of "Argue" in the issue of the Star of the 9th inst. respecting the application to the council for the extension of the track at the dock, would say that he is misrepresenting the facts, when he states the application was made by or on behalf of the G. T. R., whereas it was made on behalf of the Beatty Co. for
