Several surprise parties were undertaken and carried out successfully in spite of the weather. A meeting of the people in the district was held in the Edison schoolhouse on Tuesday the purpose of seeing evening, for could be done for the erection a hall. The evening was one of the mildest this year so far and there was a fair attendance present. It was explained that as a public hall was greatly needed it was desirable to get lumber now so that it might be ready when the sight could be fixed upon. This could not be done at present as t is not yet known where Premier Rutherford's proposed new line north It is hoped that it will not be far from Edison, and when it is fixed a sight will be obtained and a commodious public hall erected at once, near to the railway depot.
