insults to the Flag.

"The chief care of patriotic Ameri-

ed with reverence, and with a sane Nothing helps tired feet more than a regular rubbing with vaseline or mutton tallow. Solders are said to presents, within the confines of our through Austro-Hungary. Rumors grease their feet every night when on own country. We have been made are current at Bucharest, although aware of too many insults to the flag here among people supposed to up-hold it, and fight for it, if need be, to heed the assauls upon it by irrensible persons in Moose Jaw, askatchewan and Winnipeg. In the last named place some light-headed American seems deliberately to have provoked the assault, which, how-ever, is not to be considered serious-ly, and will not lead to grave international complications. The weather is too hot to justify excitement about such trifles. But when Socialists, anarchists, syndicalists, or other malcontents tear down our flag and trample upon it on our own territory it is time to take action, no matter how high the mercury may range."

Restless Again.

Naples, July 8.—The activity ount Vesuvius, which became pro-ounced last spring, is growing more eccentuated. Studies by Prof. Meralli, director of the Observatory, how that the volcano from 1700 to late was never tranquil, for a time surpassing seven consecutive years. od, which corresponds with the pre-Prof. Mercalli says, however, that is does not mean a violent eruption cessarily is imminent.

The crater is emitting a quantity vapor composed of chloric acid.
