GONE ON BEST VACATION.

OTTAWA, Sept. 26.
The Right Hon. Sir Robert Borden,
Prime Minister of Canada, has left
Ottawa for a very much needed rest,
and is not expected back in Ottawa be-
fore a couple of weeks.

GERMAN COMMANDER FLED.

GENEVA, Sept. 26.
Field Marshal Liman von Sanders,
commander of the Turkish forces, who
fled from Nazareth shortly before the
attacking British troops appeared, has
reached Constantinople. Advice from
the Turkish capital say that Von San-
ders will return at an early date to
Berlin.

AMERICANS FINE WORK.

WASHINGTON, Sept. 26.
Attacking this morning over a
front of twenty miles west of Verdun,
in co-operation with the French, the
American First Army advanced to an
average depth of seven miles and cap-
tured twelve towns and more than
3,000 prisoners. General Pershing's
communication follows: In sector A
this morning, north west of Verdun,
the first army attacked the enemy on
a front of twenty miles and penetrated
his line to an average depth of seven
miles. Pennsylvania, Kansas and Mis-
souri troops, serving in Major General
Lagitt's Corps, stormed Varennes,
Morbainville, Vauxois, and Chappay.
After a stubborn resistance, troops of
other corps, crossing the Forges
Brook, captured the Bois de Forges,
and wrested from the enemy the towns
of Malancourt, Bethincourt, Montfau-
con, Cuisy, Nantilly, Septsarges, Dan-
soux and Gercourt et Drilancourt.
The prisoners, thus far reported, num-
ber over 5,000.

REVIEW IN BRIEF.

LONDON, Sept. 26.
(Via Reuters' Ottawa Agency).—
Better learns that the Franco-Ameri-
can offensive was an forty mile
front. Between the Rivers Sappe and
the Meuse the attacking forces pen-
etrated to a depth of some miles. The
enemy voluntarily abandoned his for-
ward positions and consequently there
was little artillery or infantry resist-
ance. In Palestine, the southern and
western shores of the Lake of Tiberias
are generally in our hands. The
Turkish garrisons resisted stiffly, but
were overcome. Our cavalry occupied
and are now driving the enemy up the
Hidjaz railway into the arms of the
Arabs at Bara. Some of the enemy
may escape to Damascus, others going
southwards to the Dead Sea, the objec-
t being to assist the garrison there
which is being hard pressed by the
Arabs. On the Saloniki Front the
Serbians have captured Velea, and the
Anglo-Greeks have reached the West-
ern slopes of the mountains, which
constitute the defence of Bulgaria
from the south. The main lateral line
of Monastir, Prilep and Vele is now
entirely in the hands of the Allies, and
the Bulgarian army is completely bro-
ken in two. These forces will un-
doubtedly endeavor to reunite at Us-
sah, but the cavalry of the Allies is
now attacking them at Ussah, and it
is extremely doubtful if any of the
army slipped through.

The plans for the Bolsheviki army
on the Volga front, which seriously
endangers the Czecho army in that re-
gion of Russia, call for 51 divisions

SET AN EXAMPLE TO THE WHOLE
WORLD.

OTTAWA, Sept. 26.
Fred James, Official Correspondent
with the Canadian Forces in the Field,
France, writes as follows: "During a
visit to France His Majesty paid a
special visit to the Canadian hospital
at Doullens, which was deliberately
bombed by the Huns a few months
ago. The King had once before in-
spected this building, just before the
Amen retirement in March, and had
congratulated the staff on the excel-
lent work they were doing. His Ma-
jesty had especially admired the big
operating theatre at that time, but on
this visit found it a mass of charred
ruins. From the lips of the command-
ing officer, the King heard the story
of the outrage, and as he was leaving,
the royal visitor paid a special visit
to the sisters and doctors. 'By con-
tinuing your work of mercy after such
a terrible experience, you have set an
example to the whole world,' His Ma-
jesty said."

CAPTURED POSITIONS HUNS HAVE
BEEN FOUR YEARS FORTIFYING.

WITH THE FRENCH ARMY ON
THE CHAMPAGNE FRONT, Sept. 26.
(By the A.P.)—Troops of the French
army operating in conjunction with
the Americans in a new battle along
the Champagne front, have to-day
conquered positions that the Germans
have been fortifying for four years,
positions that they have sacrificed
thousands of men to hold. The French
troops have been remarkably light in
spite of the fact that the German re-
sistance stiffened this afternoon.
General Gouraud's soldiers, who ad-
vanced to these positions three years
ago and have been facing them ever
since, are now enjoying a peculiar
satisfaction in being in them. The
number of prisoners taken by the
French is increasing steadily. They
are firing back by all roads in groups
of from a score to several hundred.
Among them there is a larger propor-
tion of very young men than hereto-
fore taken. Some of the captives are
recruits of the 1920 contingent. They
are leaving behind them scores of
burning villages. Thirty had been
observed in flames up to noon to-day.
Even this additional and unjustified
devastation can scarcely add to the
desolation that has been spread all
over this sharply disputed ground. A
feature of to-day's operations was the
activity of the enemy airmen, which
furnished several spectacular encoun-
ters with French observation balloons
and anti-aircraft artillery.

BRITISH MAKE NEW ATTACK.

LONDON, Sept. 27.
British troops attacked on a wide
front south of the Senese River, this
morning, according to a report re-
ceived here from Field Marshal Haig.
First reports indicate that satisfactory
progress is being made. The Senese
River is a small stream flowing to the
northeast, and paralleling on the
south the Scarpe River, which flows
past Arras and passes through the
important City of Douai, one of the
principal German bases on the Ar-
tois front in France. It is probable
that the British attack is made for the
purpose of driving a wedge between
Douai and Cambrai, about fifteen
miles to the south.

Hr. Grace Notes. Advises Waiting

Pts. C. Pynn, who safely returned
from France, entertained a number of
his friends at his home last night,
where a very pleasant evening was
spent.

Mr. J. J. Norris, accompanied by
his daughter Marie, left this morning
for Three Arms, N.D.B., where he will
visit his mother, after which he will
proceed to his home at Conche.

Mr. D. Keefe and child, who were
here from Sydney on a visit to friends,
left yesterday morning for home.

Mrs. Eli Martin is in St. John's vis-
iting friends.

Birds were more plentiful this week
and one of the sportsmen secured 15
birds on Tuesday; others also did
well. Rabbits are said to be very
plentiful this season.

We are undergoing a sugar famine,
as not even brown sugar can be pur-
chased here now. Many of our peo-
ple are sweet enough to be able to re-
frain from that article, but a few of
us old sour fellows are all at sea
when without the brightening effects
of sugar.

Mrs. W. Stimmonds and child arrived
from St. John's on Saturday last on a
visit to friends.

Married at Low Point, Sydney, on
Sept. 1st, by Rev. Fr. McAlly, Mr. John
Denise Hennessy, son of Mr. David
Hennessy, of Hr. Grace, to Miss Mary
(Nellie) Ayre, eldest daughter of Mr.
and Mrs. Jeremiah Ayre, also of Hr.
Grace. A large number of costly pre-
sents were given the young couple, in-
cluding many valuable pieces of
household furniture. The best wishes
of our citizens will go with the happy
pair.

Disorderly
Conduct.

Residents of the South Side Road,
just east and west of the Long Bridge,
complain of the nightly presence of a
number of disreputable persons.
These night hawks stick around until

should be stationed there for a few
nights, to restore order, as the peo-
ple cannot sleep because of the noise
